NOTICE OF WARRANTY – SAN Group Biotech USA, Inc. warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with the directions under normal conditions of use. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials or the manner of use or application, all of which are beyond the control of SAN Group Biotech USA, Inc. In no case shall SAN Group Biotech USA, Inc. be liable for consequential, special or indirect damages resulting from the use or handling of this product. SAN Group Biotech USA, Inc. makes no warranties of merchantability or fitness for a particular purpose nor any other express or implied warranty except as stated above.

DIRECTIONS FOR USE

SHAKE VIGOROUSLY BEFORE USING.

Organic BioLink® Zinc 8% Zn can be applied to all crops including berries, citrus, cucurbits, field vegetables, fruiting vegetables, fruit trees, vines, leafy vegetables, root and tuber vegetables, row crops, strawberries, tree nuts, ornamentals, shrubs and flowers.

Foliar Application: Use 1/2 to 4 quart per acre. Apply to plant foliage to the point of run-off, throughout growing season as needed.

Soil Application: Use 1 to 4 quarts per acre. Apply in irrigation water, including drip and sprinkles.

Nursery & Container: Use 8 ounces per 100 gallons of water. Apply to plant foliage run-off or as a soil drench around base of plants. Repeat applications as needed.

Phytotoxicity: Always test spray mix on a small plot before large-scale application. To lower the risk of phytotoxicity, applications should be made early morning or late evening.

Compatibility: Always conduct a compatibility jar test before mixing **Organic BioLink® Zinc 8% Zn** with new products.

Use best management and cultural practices when applying **Organic BioLink® Zinc 8% Zn**. Use additional fertilizers as needed based on soil and tissue testing.

CA Prop 65 - WARNING: This product may contain chemicals known to the State of California to cause cancer or birth defects or other reproductive harm.
