

INTENSIFY

SPREADER BUFFER

ACTIVE INGREDIENTS:

Alkyl Aryl Polyoxyethylene glycol, Phosphoric Acid and Butanol..... 82.4%

INERT INGREDIENTS: 17.6%

TOTAL 100.0%

CA Reg. No.7001-50526-AA

KEEP OUT OF REACH OF CHILDREN DANGER/PELIGRO!

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

PRECAUTION AL USUARIO: Si usted no lee ingles, no use este producto hasta que la etiqueta haya sido explicada ampliamente.

CORROSIVE - CAUSES EYE AND SKIN DAMAGE

HARMFUL IF SWALLOWED, INHALED OR ABSORBED

DO NOT TAKE INTERNALLY

CAUSES ALLERGIC SKIN REACTION

COMBUSTIBLE

Do not get in eyes, on skin or clothing. Wear chemical splash goggles or face shield, and impervious rubber gloves when handling. Avoid breathing vapor or mist and use with adequate ventilation. Keep container closed when not in use and keep away from heat and flame. Wash thoroughly after handling, remove contaminate clothing promptly, and thoroughly launder clothing before reuse.

FIRST AID

IF SWALLOWED:	<ul style="list-style-type: none">• Immediately call a Poison Control Center or Doctor.• Do not induce vomiting unless told to do so by a poison control center or doctor.• Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.
IF IN EYES:	<ul style="list-style-type: none">• Hold eye open and rinse slowly and gentle with water for 15-20 minutes.• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.• Call a Poison Control Center or Doctor for treatment advice.
IF ON SKIN OR CLOTHING:	<ul style="list-style-type: none">• Take off contaminated clothing.• Rinse skin immediately with plenty of water for 15 to 20 minutes.• Call a Poison Control Center or Doctor for treatment advice.
IF INHALED:	<ul style="list-style-type: none">• Move person to fresh air.• If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible.• Call a Poison Control Center or Doctor for further treatment advice.

HOT LINE NUMBER

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact day or night, **1-800-424-9300**

PHT INTENSIFY is a spreader-buffer for use on plants to improve the effectiveness of non-selective herbicides. **PHT INTENSIFY** will reduce the pH of alkaline waters and will increase contact activity and aid in spreading.

NOTICE

Due to variations in materials, application equipment, water and other conditions, the optimum rate may vary. **PHT INTENSIFY** will reduce the pH of water to enhance the performance of many pesticides. But a low pH can be detrimental to other pesticides; refer to pesticide label. Because **PHT INTENSIFY** is also a spreader, it may not always be possible to meet both the pH need and the spreader need. Consult your PHT Fieldman for advice to best fit your needs.

DIRECTIONS FOR USE

Use of **PHT INTENSIFY** can vary from a half pint to two quarts per 100 gallons of spray solution depending on the result needed. Determine the initial pH of the spray solution and add **PHT INTENSIFY** until the desired pH is achieved. Add **PHT INTENSIFY** to the solution while agitating and before adding the pesticide.

pH MIX TEST

To determine the exact amount of **PHT INTENSIFY** that is needed to adjust the pH proceed as follows:

1. Put one teaspoon of **PHT INTENSIFY** in to 1 gallon of water and mix thoroughly.
2. Check the pH. If a lower pH is needed add another teaspoon of **PHT INTENSIFY** and recheck the pH. Repeat until the proper pH is achieved.
3. One teaspoon per 1 gallon equals 1 pint per 100 gallons of spray mix. For example, if 5 teaspoons were needed to achieve proper pH in 1 gallon, then 5 pints would be needed for 100 gallons of spray solution.

STORAGE AND DISPOSAL

Pesticide Storage: Keep out of reach of children and animals. Store in original container only. Store in a cool, dry place, and avoid excess heat. Carefully open containers. After partial use, replace lids and close tightly. Do not put concentrate or diluted material into food or drink containers. Do not contaminate other pesticides, fertilizers, water, food or feed by storage or disposal.

In case of spill, avoid contact, isolate area and keep out animals and unprotected persons. Confine spills. Call: CHEMTREC 1-800-424-9300.

To confine spill: If liquid, dike surrounding area or absorb with sand, cat litter or commercial clay. If dry material, cover to prevent dispersal. Place damaged package in a holding container, identify contents.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: METAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities. Do not cut or weld metal containers. PLASTIC: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

For minor spills, leaks, etc., follow all precautions indicated on this label and clean up immediately. Take special care to avoid contamination of equipment and facilities during cleanup procedures and disposal of waste. In the event of a major spill, fire or emergency, call CHEMTREC at 1-800-424-9300 day or night.

DISCLAIMER OF WARRANTIES: J.R. Simplot Company warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label only when used in accordance with label directions under normal conditions of use. To the extent consistent with applicable law J.R. SIMPLOT COMPANY MAKES NO OTHER EXPRESS OR IMPLIED WARRANTIES EITHER OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR USE. Handling, storage and use of the product by Buyer or User are beyond the control of J.R. Simplot Company and Seller. To the extent consistent with applicable law risks such as crop injury, ineffectiveness or other unintended consequences resulting from, but not limited to, weather or soil conditions, presence of other materials, disease, pest, drift to other crops or property or failure to follow label directions will be assumed by the Buyer or User. To the extent consistent with applicable law, in no case will J.R. Simplot Company or Seller be held liable for consequential, special or indirect damages resulting from the handling, storage or use of this product.
