CAUTION

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION: Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or as usual.

ENVIRONMENTAL HAZARDS
This pesticide is highly toxic to fish and aquatic invertebrates. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in colder weather when rain is not predicted for the next 24 hours will help ensure that wind or rain do not blow or wash pesticide away from the treatment area.

PHYSICAL HAZARDS
Flammable. Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate containers. Exposure to temperatures above 130°F may cause bursting. Do not apply this product around electrical equipment due to the possibility of statement hazard.

DIRECTIONS FOR USE
It is a violation of federal law to use this product in a manner inconsistent with its labeling. READ ALL DIRECTIONS COMPLETELY BEFORE USE. For use in and around buildings and structures such as: homes, apartments, hotels, offices, stores, warehouses, schools, nursing homes, hospitals, industrial buildings, vehicles, rail cars, trucks, trailers, and aircraft (except cockroaches, ARMs (excluding Carpenter, Harvester and Pharaoh ants), CRICKETS, SILVERFISH, SOWBUGS and CARPET BEETLES: Apply directly to exposed insects in areas where these pests are found or may hide, including dark corners of roofs and cabinets, cracks and crevices, wall-to-wall carpeting, and in wall-to-wall carpet. This product is intended for use in areas that are not accessible to children or pets. Do not treat pets directly. Do not spray in a Broadcast spray. Spray pets directly on outside surfaces of building. For cats (including Carpet, Harvester and Pharaoh ants), spray pets directly or around nests hidden under steps, brickwork, cistern, etc. Break apart accessible nests and spray directly on and around nests. Pesticide Plus may be applied as a spot, crack and crevice or spot treatment to outside surfaces directly contacting listed insects. Do not spray on a Broadcast spray. Spray outside surfaces where listed insects are congregating. Sprays areas include screens, window frames, eaves, pavers, patios, garages and rear decks. Repeat treatment as necessary.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage or disposal. PESTICIDE STORAGE: Store in a cool, dry area away from heat or open flame.
PESTICIDE DISPOSAL: Wastes resulting from use of this product may be disposed of on the site or at an approved waste disposal facility.
CONTAINER HANDLING: Do not puncture or incinerate. Empty container(s) by pouring into the product container with the label intact. Empty syringes, empty container(s) and incinerate or place in trash as a sealed container or as part of waste stream in accordance with state and local regulations. If partially full: Contact your local solid waste agency for disposal instructions.

WARRANTY
Read the entire Directions for Use and Warning before using this product. By using this product, you or buyer accept the following warranty. The directions for use of this product are believed to adequate and must be followed carefully. It is impossible to eliminate all risks associated with the use of this product. Unintended consequences may result because of unknown factors. To the extent consistent with applicable law, all such risks shall be assumed by the user or buyer. The seller is not responsible for providing high quality products. To the extent consistent with applicable law, the seller makes no warranties, express or implied, of merchantability or fitness for a particular purpose or otherwise, that extend beyond statements on this label. To the extent consistent with applicable law, the manufacturer or the seller shall not be liable for indirect, special, incidental or economic damages. To the extent consistent with applicable law, the exclusion remedy, at your or buyer shall not exceed the purchase price paid.
