

SulFeGro® AMP

GUARANTEED ANALYSIS:

| | |
|------------------|-------|
| Sulfur (S) | 16.0% |
| Iron (Fe)..... | 18.0% |
| Zinc (Zn) | 12.0% |

Derived from Ferrous Sulfate and Zinc Sulfate.

KEEP OUT OF REACH OF CHILDREN

DANGER

CAUSES SKIN IRRITATION. CAUSES SERIOUS EYE DAMAGE.

PRECAUTIONARY STATEMENTS: Wash thoroughly after handling. Specific treatment see First Aid section on this label.

PERSONAL PROTECTIVE EQUIPMENT: Wear protective gloves / protective clothing / eye protection / face protection. Take off contaminated clothing and wash it before reuse.

FIRST AID: Immediately call a poison center / doctor. **IF ON SKIN** Wash with plenty of water. If skin irritation occurs get medical attention. **IF IN EYES** Rinse cautiously for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

GENERAL INFORMATION

SulFeGro® AMP contains soluble micronutrients which are immediately available to the plant and which assist in the formation of chlorophyll, photosynthesis and growth in plants. It is a valuable source of iron, zinc and sulfur that provide essential micronutrients, especially those grown in alkaline soils. Caution should be taken when applying to iron and zinc deficient acidic soils. When applying to acidic soils use the lower rates. SulFeGro® AMP supplies acidity, which produces a microzone with a lower pH (higher acidity) which helps mobilize iron and other acid soluble nutrients.

SulFeGro AMP

SulFeGro[®] AMP contains concentrated iron, which will stain masonry and clothing. Rust stained clothing should be washed separately from other clothing. If spilled on masonry, wash with water to reduce staining. Contact a chemical consultant for specific instructions to remove stains.

DIRECTIONS FOR USE

SulFeGro[®] AMP is compatible with most granular fertilizer materials.

Nutritional Maintenance: Apply 5 - 25 lbs. per acre. Application rates should be based upon soil test analysis and recommendations. It is recommended that SulFeGro[®] AMP be blended with fertilizers when possible.

Soil Amending / Conditioning: Apply 25 - 75 lbs. per acre. Rates will vary depending upon the severity of the deficiency, climate, crop, and soil type.

NOTICE: Before using this product, read the entire Caution statements, Conditions of Sale and Warranty and Directions for Use instructions. If the Conditions of Sale and Warranty are not acceptable, return the product unopened within thirty days of purchase to the place of purchase.

Warning: This product contains a chemical known to the State of California to cause cancer, birth defects or other reproductive harm. Proposition 65, the Safe Drinking Water and Toxic Enforcement Act of 1986, requires notification of potential exposure to substances identified by the State of California as causing cancer, birth defects or other reproductive harm.
