

Soluble fertilizer

F1898

WARNING: This product contains chemical known to the state of California to cause cancer and birth defects or other reproductive harm. This product contains Boron (B) which if used in excess amount of the recommended rate can cause plant injury.

CAUTION: PLEASE KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed. Avoid breathing spray mist. May cause irritation of nose, throat or skin. Avoid contact with eyes, skin and clothing. In case of contact with skin or eyes, flush with plenty of water.

GENERAL INFORMATION - PREMIUM's are water soluble fertilizer which can be applied both foliar or in the soil as a supplement of the regular fertilization plan. It can be applied to all crops and ornamentals as a supplement to fertilization plan to prevent and correct plant nutrition. Best performance may be obtained during plant growth stages. For foliar applications, it is advisable to apply the product early morning or late in the evening to avoid high temperatures which may cause crop injury.

MIXING INSTRUCTION: Add water to tank before adding PREMIUM's. Agitate thoroughly while adding remaining water. If used in combination with pesticides, add pesticides last. Alternatively, start from an empty tank, add PREMIUM's into the trainer on top, and run water through the product, dissolving it while filling the tank, always perform a compatibility jar test • Do not use additional surfactants without first checking with your agricultural consultant. • Do not use when plants are under severe stress conditions such as heat or water stress • PREMIUM's should not be used at concentrations of greater than 2 lbs per gallon of water unless recommended for specific situation from your agricultural consultant and after applying a small area to determine any phytotoxicity effect.

FOLIAR APPLIED - PREMIUM's, use sufficient spray volume to ensure coverage. Below there are suggested rate range which may vary from crop stage and condition. Do not apply under poor drying conditions. For fruit trees and vegetables, avoid to apply in later stages when undesired Nitrogen may soften the fruits.

VEGETABLE - PREMIUM's, including lettuce, cabbage, cauliflower spinach cucumber, carrots, celery beans, melons, potato, pepper, onions, squash, tomato, berries. Every 2-3 weeks starting 2 weeks after transplanting; Apply 3 to 10 lbs/Ac.

TREE CROPS - PREMIUM's, all fruits, nuts. From Pre bloom and during fruit growth 2-4 applications; Apply 5 to 15 lbs/Ac.

VINES AND CITRUS - PREMIUM's, every 2-3 weeks starting at fruit growth; Apply 5 to 10 lbs/Ac.

FIELD CROPS - PREMIUM's, Corn, Sunflower, Rice, Soybeans, Sorghum, Alfalfa Every 2-3 weeks starting at growth; Apply 5 to 10 lbs/Ac.

LAWN & TURF - PREMIUM's, Apply 2 to 4 oz/1000 sq ft.

AERIAL APPLICATION - PREMIUM's, Apply 5 lbs/Ac.

FERTIGATION - PREMIUM's, every 2-3 weeks during growing; Apply 10 to 15 lbs/Ac. For fruit trees and vegetables, avoid to apply in later stages when undesired Nitrogen may soften the fruits.

Condition of Sales and Warranty The Directions for Use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of factors including, but not limited to weather conditions, presence of other materials, or the manner of use or application which are beyond the control of AgroPlantae, Inc. or the Seller. All such risks shall be assumed by the Buyer. AgroPlantae, Inc. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use subject to the inherent risks referred to above. AgroPlantae, Inc. makes no express or implied warranty of Fitness For Particular Purpose or Merchantability or any other express or implied warranty, other than such warranties expressly provided here. In no case shall AgroPlantae, Inc. or the Seller be liable for consequential, special, or indirect damages resulting from the use or handling of this product. AgroPlantae, Inc. and the Seller offer this product, and the Buyer and user accept, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of AgroPlantae, Inc.
