

PRIMO CALCIUM

GENERAL INFORMATION

PRIMO CALCIUM is a concentrated readily available source of calcium for use as a preventative against calcium deficiency induced disorders. **PRIMO CALCIUM** applied at the rate of 4 to 6 quarts per acre may enhance the uptake of plant growth regulators. **PRIMO CALCIUM** is intended as a supplement to a well balanced fertility program.

APPLES: Bitter pit in apples is a physiological disorder associated with low fruit calcium levels. High tree vigor resulting from cultural practices such as severe pruning, excess nitrogen applications and light crop loads can result in low calcium levels in the fruit and a high incidence of bitter pit.

PEARS: Cork spot and alfalfa greening of pears is a physiological disorder associated with low fruit calcium levels. High tree vigor resulting from cultural practices such as severe pruning, excess nitrogen applications and light crop loads can result in low fruit calcium levels and an increase in cork spot and alfalfa greening fruit disorders.

DIRECTIONS FOR USE

APPLES: Starting at pink, apply 2 to 6 quarts of **PRIMO CALCIUM** per acre. Repeat as necessary throughout the growing season.

PEARS: Apply 2 to 6 quarts of **PRIMO CALCIUM** per acre. Repeat as necessary throughout the growing season.

CHERRIES AND OTHER STONE FRUIT: Apply 2 to 6 quarts of **PRIMO CALCIUM** per acre. Repeat as necessary throughout growing season.

HOPS: Apply 2 to 6 quarts of **PRIMO CALCIUM** per acre. Repeat as necessary throughout growing season.

VEGETABLE CROPS: Apply 1 to 2 pints of **PRIMO CALCIUM** per acre as recommended by a certified crop consultant.

GRAPES: Apply 1 to 2 quarts of **PRIMO CALCIUM** per acre at veraison stage of development for water berry.

FORAGE CROPS: Apply 1 to 2 pints of **PRIMO CALCIUM** per acre as recommended by a certified crop consultant.

GUARANTEED ANALYSIS

Calcium (Ca).....6.00%

DERIVED FROM: Calcium Citrate.

KEEP OUT OF REACH OF CHILDREN

WARNING

Harmful if swallowed.

PRECAUTIONARY STATEMENTS

Wash thoroughly after handling. Do not eat, drink or smoke when using this product.

Si usted no entiende la etiqueta, busque a alguien para que se la explique a usted en detalle.

FIRST AID

In all cases, call a poison control center or doctor for further treatment advice.
IF SWALLOWED: Call a poison control center or doctor if you feel unwell.
Rinse mouth.

USAGE PRECAUTIONS

Use sufficient volume for thorough coverage. Do not spray trees under heat or moisture stress. Use lower rates with concentrate applications and under conditions of low humidity and when temperatures are expected to be higher than 85°F.

Compatibility: **PRIMO CALCIUM** is compatible with most pesticides, insecticides, fungicides and plant growth regulators and can be used in existing spray programs. When using a chemical mixture that has not been used before with **PRIMO CALCIUM** check compatibility by doing a jar test.

Note: Consult a certified crop consultant before using a surfactant with **PRIMO CALCIUM** on any agricultural crop.

Note: **PRIMO CALCIUM** can be used as a buffer. Do not mix other buffering agents that are sulfate or phosphate-based acidifying agents.

NOTICE: Information regarding the contents and levels of metals in this product is available on the Internet at: <http://www.aapfco.org/metals.html>.

STORAGE AND DISPOSAL

Store in a safe manner. Store in original container only and keep tightly sealed when not in use. Store product and dispose of unused product and empty containers in accordance with federal, state and local regulations.

NOTICE OF WARRANTY

Genesis Agri-Products, Inc. warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for the purposes stated on such label only when used in accordance with the directions under normal use directions. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of Genesis Agri-Products, Inc. In no case shall Genesis Agri-Products, Inc. be liable for consequential, special or indirect damages resulting from the use of handling of this product. All such risk shall be assumed by the buyer. Genesis Agri-Products, Inc. makes no warranties of merchantability or fitness for a particular purpose nor any other expressed or implied warranty except as stated above.
