READ LABEL BEFORE USING

PRECAUTIONARY STATEMENTS

Observe good industrial hygiene practices. Do not take internally. Avoid breathing vapors or spray. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or smoking tobacco. Remove and wash contaminated clothing before reuse. Most hand stains or clothing stains may be easily removed with soap and water.

Personal Protective Equipment (PPE): Wear chemical resistant gloves, eye protection, long-sleeved shirt, long pants, and shoes plus socks.

FIRST AID

IF IN EYES: Rinse with water for several minutes. Remove contact lenses, if present and easy to do then continue rinsing. Seek medical attention if eye irritation occurs/persists.

IF SWALLOWED: Rinse mouth. Call a poison control center or doctor for treatment advice if you feel unwell. Do not give anything by mouth to an unconscious person. Do not induce vomiting unless told to do so by a poison control center or doctor.

IF INHALED: Remove person to fresh air. If person is not breathing, call 911 and administer artificial respiration

IF ON SKIN: Wash with plenty of soap and water. Take off contaminated clothing and wash before reuse. Seek medical attention if skin irritation occurs/persists.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. In Case of Medical Emergency, Call Toll Free 1-866-767-5042

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage, disposal or cleaning of equipment.

Storage: Store in a secure, cool, dry and well-ventilated area away from children, food and feed products. Store away from sources of heat. Keep container tightly closed. Store in original container only.

PREFLIGHT®

ODOR MASKING AGENT / DEFOAMER

Disposal: Do not reuse or refill this empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. Contact your state and local ACRC recycler or visit the ACRC web page at www.agrecycling.org. Decontaminated containers may also be disposed of in a manner allowed by local, state and Federal laws and regulations.

For Emergency, Spill, Leak, Fire, Exposure, Or Accident, Call CHEMTREC 1-800-424-9300

GENERAL INFORMATION

PreFlight is a defoaming agent and an odor masking agent. Reduces foam build up when added before other products are added to the tank. Will also knockdown foam when added to built up foam during filling. Foam prevention and knockdown improved the speed of fillg spray tanks and prevents chemical spills. Wintergreen smell masks odors from pesticides which might otherwise cause discomfort to the applicator or others in the near vicinity.

DIRECTIONS FOR USE

READ ENTIRE LABEL BEFORE USING SHAKE WELL

For use in Turf and Ornamental, Forestry, Rights of Way and Vegetation Management. This product is not intended for use on edible food crops.

(Not for Aquatic use in WA).

Defoam Directions: To reduce foam from building when mixing spray solutions, add PreFlight at the rate of 1-4 fluid ounce per 100 gallons. Add PreFlight to the partly water-filled tank first and agitate well before adding other products to the spray solution. To knockdown foam that has formed, add PreFlight at 1-6 fluid ounces per 100 gallons by squirting on top of the foam in 1 fluid ounce per 100 gallon increments. Continuing adding PreFlight until the desired control is achieved.

Odor Masking Directions: PreFlight can help mask odors from pesticides. For odor masking, add PreFlight at the rate of 1-4 fluid ounce per 100 gallons until the desired control is achieved.
