

# PRECINCT

## WATER CONDITIONING AGENT / WETTING AGENT

### Principal Functioning Agents:

Ammonium sulfate, sorbitol, sodium xylene sulfonate .....	44%
Constituents ineffective as a spray adjuvant.....	55%
<b>Total.....</b>	<b>100%</b>

All ingredients are exempt from tolerance under 40 CFR 180.  
WA REG NO. 46661-15001

### KEEP OUT OF REACH OF CHILDREN WARNING

Causes eye irritation and may cause allergic skin reaction. May be harmful if swallowed, absorbed through skin or inhaled. Avoid contact with eyes, skin or clothing. Avoid breathing spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

**Personal Protective Equipment:** Wear chemical-resistant glove, eye protection, long-sleeved shirt and long pants, and shoes plus socks.

### FIRST AID

**Call a poison control center or doctor immediately for treatment advice.**

*Have the product container with you when calling a poison control center or doctor, or going for treatment.*

**If Swallowed:** Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

**If on Skin or Clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

**If Inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible.

**If in Eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing eye.

### GENERAL INFORMATION

**PRECINCT** is a blend of surfactants and ammonium sulfate provided as one convenient, multifunctional liquid. **PRECINCT** is designed for use with glyphosate, glufosinate and other pesticide products that require the combination of AMS and surfactant. More effective pest control is achieved by the combination of improved spreading and uptake, provided by the surfactant, and reduction of hard water interaction and enhanced uptake, provided by the ammonium sulfate.

### DIRECTIONS FOR USE NOT FOR AQUATIC USE

Use **PRECINCT** at a rate of 3 to 10 quarts per 100 gallons of tank mix. Add according to the directions on the pesticide label. If no directions are given, use Table 1 as a general guide. Weed type, weed height, environmental conditions and other factors can impact use rate needed. Do not premix with concentrated oil or lecithin products. Add each product separately.

### APPLICATION OR USE RATES

Glyphosate Herbicide Surfactant Load	Water Hardness in ppm	Quarts of <b>PRECINCT</b> per 100 gallons of Tank Mix
Full	<250	3-4
	250-500	4-6
	>500	6-10
Partial	<250	7-8
	>250	8-10
None	Any	10

### STORAGE AND DISPOSAL

**Storage:** Store in a cool, dry place. Store in original container only. Do not add anything to the container. Keep container tightly sealed when not in use. Do not store near fire, flame or other potential sources of ignition. Do not contaminate water, food or feed by storage or disposal of this product.

**Disposal:** Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal if allowed by law. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at [www.acrecycle.org](http://www.acrecycle.org). Decontaminated containers and materials must be disposed of in a manner allowed by local, state and federal laws and regulations

Conditions of Sale and Warranty Limitation: The Directions for Use of this product reflect the opinion of experts based on field use and tests.

The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or use of the product in a manner inconsistent with its labeling, all of which are beyond the control of West Central Inc. or the seller. All such risks shall be assumed by the buyer. West Central Inc. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use, subject to the inherent risks referred to above. West Central Inc. makes no other express or implied warranty of fitness or merchantability or any other express or implied warranty. In no case shall West Central Inc. or the seller be liable for consequential, special or indirect damages resulting from the use or handling of this product. West Central Inc. and the seller offer this product, and the Buyer and the User accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of West Central Inc.
