

PRECINCT™

Water Conditioning Agent ▪ Wetting Agent

Principal Functioning Agents:

Ammonium sulfate, sorbitol, sodium xylene sulfonate	44.05%
Constituents ineffective as a spray adjuvant	55.95%
Total	100%

All ingredients are exempt from tolerance under 40 CFR 180. One gallon of Precinct contains 3.44 pounds of ammonium sulfate.

KEEP OUT OF REACH OF CHILDREN WARNING

PRECAUTIONARY STATEMENTS

Causes eye irritation. Read label before use. Keep container tightly closed. Keep only in original container. Avoid breathing dust, fume, gas, mist, vapors or spray. Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves, protective clothing, eye protection and face protection.

FIRST AID

Call a poison control center or doctor immediately for treatment advice. Have the product container with you when calling a poison control center or doctor, or going for treatment.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do then continue rinsing. If eye irritation persists: Get medical advice or attention.

IF ON SKIN OR CLOTHING: Take off contaminated clothing and wash it before reuse. Wash with plenty of soap and water for several minutes.

IF SWALLOWED: Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. Do not give anything by mouth to an unconscious person.

IF INHALED: If breathing is difficult, remove person to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, and then give artificial respiration, preferably mouth to mouth if possible

GENERAL INFORMATION

Precinct™ is a blend of surfactants and ammonium sulfate provided as one convenient, multi-functional liquid. Precinct is designed for use with glyphosate, glufosinate and other pesticide

products that require the combination of AMS and surfactant. More effective pest control is achieved by the combination of improved spreading and uptake, provided by the surfactant, and reduction of hard water interaction and enhanced uptake, provided by the ammonium sulfate.

DIRECTIONS FOR USE

NOT FOR AQUATIC USE

Use Precinct at a rate of 3 to 10 quarts per 100 gallons of tank mix. Add according to the directions on the pesticide label. If no directions are given, use the table below as a general guide. Weed type, weed height, environmental conditions and other factors can impact use rate needed. Do not premix with concentrated oil or lecithin products. Add each product separately.

APPLICATION OR USE RATES

Glyphosate Herbicide Surfactant Load	Water Hardness in ppm	Quarts of Precinct per 100 gallons of Tank Mix
Full	<250	3-4
	250-500	4-6
	>500	6-10
Partial	<250	7-8
	>250	8-10
None	Any	10

STORAGE AND DISPOSAL

Storage: Store in a cool, dry place. Store in original container only. Do not add anything to the container. Keep container tightly sealed when not in use. Do not store near fire, flame or other potential sources of ignition. Do not contaminate water, food or feed by storage or disposal of this product.

Disposal: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal if allowed by law. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrecycle.org. Decontaminated containers and materials must be disposed of in a manner allowed by local, state and federal laws and regulations

Conditions of Sale and Warranty Limitation: The directions for use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or use of the product in a manner inconsistent with its labeling, all of which are beyond the control of CHS or the seller. All such risks shall be assumed by the buyer. CHS warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use, subject to the inherent risks referred to above. CHS makes no other express or implied warranty of fitness or merchantability or any other express or implied warranty. In no case shall CHS or the seller be liable for consequential, special or indirect damages resulting from the use or handling of this product. CHS and the seller offer this product, and the Buyer and the User accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of CHS.
