KEEP OUT OF REACH OF CHILDREN

WARNING

Causes serious eye irritation. Causes skin irritation. Harmful if inhaled. May be harmful if swallowed.

May be harmful if swallowed, inhaled or absorbed through skin. May cause eye and skin irritation. Avoid contact with eyes, skin and clothing. Avoid breathing vapors. Use with adequate ventilation. Eye protection and gloves are suggested when handling undiluted product. Wash thoroughly after handling.

GENERAL INFORMATION

PROSPECT PLUS 7-0-0 is a plant nutrient solution that contains ammoniacal nitrogen and zinc in a super soluble, neutral pH formulation. When used as a supplement to a regular fertilizer program, this product may improve vigor, quality, production and stress tolerance in turf. It will not by itself provide all the nutrients normally required by turf.

PROSPECT PLUS 7-0-0 can be used for dry fertilizer impregnation.

EQUIPMENT

Brass, copper and galvanized metals may be subject to mild corrosion from prolonged or repeated contact with this product.

APPLICATIONS - DRY FERTILIZER IMPREGNATION

Many dry fertilizers may be impregnated with PROSPECT PLUS 7-0-0. Treat such that the 1.0 to 3.0 pints per acre application rate will be achieved when the dry fertilizer is spread. Blends containing at least 50% of a mixture of urea, ammonium phosphate and/or nitrate type fertilizers are generally suitable for impregnation. However, blends high in urea may become sticky depending on the total amount of liquid applied. Apply PROSPECT PLUS 7-0-0 uniformly to the dry blend using a spray bar in the blender, a nozzle mounted on an auger, a nozzle mounted over a conveyor, or other similar setup. Use water to dilute PROSPECT PLUS 7-0-0 if additional spray volume is needed for coverage. For best results, dry blends must be applied to soil uniformly. Use the blend as soon as possible after blending.

FIRST AID

If in eyes: Immediately flush eyes with plenty of water. Continue flushing for at least 15 minutes and call a physician if irritation persists.

If on skin: Flush affected skin with water. Remove contaminated clothing. Launder clothing before reuse.

If inhaled: Remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Call a physician if indicated.

If swallowed: Drink plenty of water if conscious. Call a physician or poison control center immediately for advice on inducing vomiting. Do not induce vomiting or give anything by mouth to an unconscious person.

FOR A MEDICAL EMERGENCY INVOLVING THIS PRODUCT CALL: 1-866-944-8565.

STORAGE AND DISPOSAL

STORAGE: Keep container tightly closed when not in use. Store in original container only, preferably in a locked area. Store in a cool, dry place. Avoid freezing. If product freezes, allow it to warm and then mix thoroughly before use. Do not use food or drink containers for mixing or storage.

PRODUCT DISPOSAL: If product cannot be used as intended, disposal should comply with Federal, State and local regulations. Avoid contaminating water by disposal of equipment washwaters or other product wastes.

CONTAINER DISPOSAL: Do not reuse empty container. Rinse thoroughly, adding rinsate to mixing tank. Then offer container for recycling or dispose of in a sanitary landfill, or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

For help with any spill, leak, fire or exposure involving this material, call day or night CHEMTREC 1-800-424-9300.

CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

BEFORE BUYING OR USING THIS PRODUCT, read the Directions for Use and the following Conditions of Sale and Limitation of Warranty and Liability. By buying or using this product, the buyer or user accepts the following Conditions of Sale and Limitation of Warranty and Liability, which no employee or agent of LOVELAND PRODUCTS, INC. or the seller is authorized to vary.
