Product

Quimag Quimicos Aguila Copper Sulfate Crystal

Company

Fabrica de Sulfato El Aguila, S.A. de C.V.
Julie Horton
Landis International Inc
P.O. Box 5126
Valdosta GA 31603-5126 United States

Status

Allowed with Restrictions

Category

NOP: Copper Sulfate

Issue date

31-Oct-2007

Product number

fab-0979

Class

Crop Pest, Weed, and
Disease Control

Expiration date

01-Dec-2020

Restrictions

For plant disease control, must be used in a manner that minimizes accumulation of copper in the soil. For use as an algicide in aquatic rice systems and for tadpole shrimp control in aquatic rice systems, must not exceed one application per field during any 24-month period. Application rates are limited to those which do not increase baseline soil test values for copper over a time frame agreed upon by the producer and accredited certifying agent.

May only be used if the requirements of 205.206(e) are met, which requires the use of preventive, mechanical, physical, and other pest, weed, and disease management practices.

Executive Director/CEO

Product review is conducted according to the policies in the current *OMRI Policy Manual*® and based on the standards in the current *OMRI Standards Manual*®. To verify the current status of this or any OMRI Listed product, view the most current version of the *OMRI Products List*® at OMRI.org. OMRI listing is not equivalent to organic certification and is not a product endorsement. It cannot be construed as such. Final decisions on the acceptability of a product for use in a certified organic system are the responsibility of a USDA accredited certification agent. It is the operator's responsibility to properly use the product, including following any restrictions.
