# RELEAF™

## SOYBEAN

GENERAL INFORMATION: ReLeaf™ Soybean is a liquid fertilizer. ReLeaf Soybean is designed for use in the promotion of new growth.

DIRECTIONS FOR USE: ReLeaf Soybean should be used based on soil and tissue analyses in accordance with the recommendation of a qualified person or institution such as a certified crop consultant, agronomist, university crop extension publication or apply according to recommendations in your approved nutrient plan. General application rate is 1 Qt / Ac.

COMPATIBILITY: Tank mix compatibility is impacted by water quality which may vary by location. DO NOT mix ReLeaf Soybean in a concentrated form with other fertilizers or pesticides. When mixing always ensure adequate dilution in the spray tank before adding ReLeaf Soybean. A standard jar test is recommended prior to mixing with other fertilizers or pesticides.

HANDLING: Product is stable, non-flammable and non-explosive. DO NOT FREEZE. If spillage occurs, recover and reuse. Dispose of this product in accordance with federal/provincial/municipal regulations.

WARNING: This fertilizer contains Manganese and Zinc and should only be used as recommended. It may prove harmful when used incorrectly. Information about this product can be obtained by writing to the manufacturer listed below.

CAUTION: This fertilizer is to be used only on soils which respond to molybdenum. Crops high in molybdenum are toxic to ruminants. Information regarding the contents and level of metals in this product is available on the internet at <http://www.aapfco.org/metals.htm>.

PRECAUTION: Avoid inhalation and ingestion. If inhalation occurs move to fresh air and get medical attention. Use eye protection and NIOSH / PSHA approved respirator, full body clothing and chemically resistant gloves when handling. Prolong contact may cause irritation of eyes, nasal passages and skin.

WARRANTY AND CONDITIONS OF SALE: Seller's guarantee shall be limited to the terms set out on the label and subject thereto. Buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
