

REGUARD® O

EXTENDER AND STICKER

PRINCIPAL FUNCTIONING AGENTS	% BY. WT.
Pinene Polymers	81.8%
CONSTITUENTS INEFFECTIVE AS SPRAY ADJUVANTS	18.2%
TOTAL.....	100.0%

WA Reg. No. 2935-10001

KEEP OUT OF REACH OF CHILDREN

DANGER

Causes serious eye damage. Causes skin irritation. Harmful if swallowed.

PRECAUTIONARY STATEMENTS

Wash thoroughly after handling. Do not eat, drink or smoke when using this product. Wear rubber or chemical-resistant gloves. Wear face protection.

FIRST AID	
If in eyes:	<ul style="list-style-type: none"> • Rinse cautiously with water for several minutes. • Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center or doctor.
If on skin:	<ul style="list-style-type: none"> • Wash with plenty of water. • If skin irritation occurs: Get medical attention. • Take off contaminated clothing and wash before reuse.
If swallowed:	<ul style="list-style-type: none"> • Rinse mouth. • Call a poison center or doctor or doctor if you feel unwell.
<p>Have the product container with you when calling a POISON CENTER or doctor, or going for treatment. SHAKE WELL BEFORE USING**

GENERAL INFORMATION

REGUARD® O is a proprietary blend of pinene polymers and emulsifiers designed for use as an extender and sticker to increase the longevity of pesticides. It may be used with all pesticide products and soluble fertilizers. REGUARD O forms a durable film that adheres a pesticide or soluble fertilizer to the crop foliage and can lead to enhanced activity of the crop input. This shield decreases the effects of environmental factors that may erode the effectiveness of pesticides and soluble fertilizers. REGUARD O resists the removal of the pesticide or soluble fertilizer from the leaf surface by rainfall, sprinkler irrigation and wind.

REGUARD O will not foam or clog nozzles. It may be applied by air or ground, including application through a concentrate sprayer.

REGUARD O sprays require sufficient drying time for best adhesion, under most conditions. Allow at least one hour of daylight after REGUARD O spray application and prior to an anticipated rain. Sunlight during this time period is required for the protective shield to set.

NOT FOR AQUATIC USE

COMPATIBILITY

REGUARD O is compatible with most agricultural chemicals. However, a jar test is recommended before mixing it with other chemicals in large quantities.

MIXING DIRECTIONS

Fill the spray tank half full of water, then add other desired components to the tank while agitating the mixture. Premix REGUARD O with more water and add while the tank continues to fill. Agitate mixture continuously while the tank is filling.

Use clean water to rinse spray equipment immediately after spraying. Though some residue may remain in the tank, it will help prevent rusting and corrosion and will not clog nozzles next time the sprayer is used.

USE PRECAUTIONS

Do not apply this product to non-target surfaces and do not allow spray to drift. Permanent damage may occur on porous surfaces. On non-porous surfaces, remove spray immediately with soap and water while the spray deposit is still wet. Dried deposits on painted car surfaces can be removed using standard tar remover products designed for use on cars.

Do not apply when the weather is hot, windy or wet. Apply only when you are certain that the application will give you the desired result.

Do not allow spray drift or rinse water from spray tank to contaminate surface waters.

DIRECTIONS FOR USE

To improve the activity and efficiency of pesticide sprays and soluble fertilizers apply 4 to 16 fluid ounces of REGUARD O per acre.

To improve the absorption and retention of foliar fertilizers, apply 4 fluid ounces of REGUARD O per acre.

For use in air blast sprayers or hydraulic gun sprayers:

Concentrate sprays (100 gallons or less spray volume): Apply 4 to 16 fluid ounces of REGUARD O per 100 gallons of water.

Dilute Sprays: Apply 4 to 8 fluid ounces of REGUARD O per 100 gallons of water.

Do not apply REGUARD O to food crops within 30 days of harvest except as follows: REGUARD O can be used with copper fungicides, *Bacillus thuringiensis* products and other tolerance exempt pesticides on food crops up to harvest.

Note: Use of REGUARD O with tolerance exempt pesticides close to harvest may result in visible residues on crops which may render the crops unsalable. If this is a potential problem, REGUARD O rate should be reduced or should not be used close to harvest. Do not apply to food crops within 30 days of harvest when *Bacillus thuringiensis* products are combined in the spray tank with other insecticides.

USE RESTRICTIONS

NOT FOR AQUATIC USE

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PRODUCT STORAGE: Store away from strong oxidizing agents. Protect from freezing temperatures. Store above 40°F. Store in original container only. Keep container tightly closed, do not allow water to be introduced into contents of this container.

CONTAINER DISPOSAL: Dispose of contents and container in accordance with government regulation. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler, visit the ACRC web page at www.acrecycle.org. Decontaminated containers may also be disposed of in a sanitary landfill.

Conditions of Sale and Limitation of Warranty and Liability:

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using the product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

ALL STATEMENTS MADE HEREIN ARE SUBJECT TO APPLICABLE LAW, AND TO THE EXTENT THERE IS ANY INCONSISTENCY OR CONTENTION, APPLICABLE LAW SHALL GOVERN.

The Directions for Use of the product must be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of many different factors including, without limitation, manner of use or application, weather, combination with other products, or crop conditions. All such risks shall be assumed by Buyer and User, and Buyer and User agree to hold Manufacturer and Seller harmless from any claims relating to such factors.

Seller warrants that this product conforms to the chemical description on the label. EXCEPT FOR THIS WARRANTY, THE PRODUCT IS FURNISHED "AS-IS," AND NEITHER SELLER NOR MANUFACTURER MAKES ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE SELECTION, PURCHASE OR USE OF THIS PRODUCT; SELLER AND MANUFACTURER SPECIFICALLY DISCLAIM ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE BEYOND WHAT IS STATED ON THE LABEL. Buyer and User accept all risks arising from any use of this product, including without limitation, uses contrary to label instructions, or under conditions not reasonably foreseeable to (or beyond the control of) Seller or Manufacturer.

Neither Manufacturer nor Seller shall be liable for any incidental, consequential or special damages resulting from the use or handling of this product. THE EXCLUSIVE REMEDY OF THE BUYER OR USER, AND THE EXCLUSIVE LIABILITY OF MANUFACTURER AND SELLER, FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THIS PRODUCT, OR, AT THE ELECTION OF MANUFACTURER OR SELLER, THE REPLACEMENT OF THE PRODUCT.

These Conditions of Sale and Limitation of Warranty and Liability shall be interpreted, unless otherwise required by the law of the state of purchase, in accordance with the laws of the State of California, excluding its conflicts of laws rules, and may not be amended by any oral or written agreement.
