

# Supplemental Labeling

Dow AgroSciences

## Remedy<sup>®</sup> Ultra

EPA Reg. No. 62719-552

### Directions for Use on Land Grazed by Lactating Dairy Animals

This supplemental label expires on March 1, 2019 and must not be used or distributed after this date.

#### ATTENTION

- It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
- This labeling must be in the possession of the user at the time of application.
- Read the label affixed to the container for Remedy<sup>®</sup> Ultra specialty herbicide before applying. Carefully follow all precautionary statements and applicable use directions.
- Use of Remedy Ultra according to this supplemental labeling is subject to all use precautions and limitations imposed by the label affixed to the container for Remedy Ultra.

## CAUTION

### Use Precautions and Restrictions

**Consult with a Dow AgroSciences representative if you do not understand the "Use Precautions and Restrictions." Call (1-800-263-1196) for more information.**

### Grazing and Haying Restrictions

#### Grazing green forage:

- There are no grazing restrictions for livestock or dairy animals on treated areas.

#### Haying (harvesting of dried forage):

- Do not harvest hay within 14 days after application.

**Slaughter Restrictions:** During the season of application, withdraw livestock from grazing treated grass at least 3 days before slaughter.
