CONDITIONS OF SALE

Seller warrants this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label, when used in accordance with direction and under normal condition and use. No one other than an officer of the seller is authorized to make any guaranty, warranty or direction concerning this product. Because time, place, rate of application and other conditions of use are beyond the seller's control, the seller's liability from handling, storage, and use of this product is limited to replacement of the product or a refund of the purchase price. It is impossible to eliminate all the risks associated with the use of this product. Crop injury, lack of performance and all other unintended consequences may result because of such factors as use of the product contrary to label instruction, presence of other materials, abnormal conditions, the manner of application or other factors all of which are beyond the control of Valagro USA or the seller. All such risks shall be assumed by buyer.
