Stoller ROOT FEED™ Supplement

Chelated micronutrient with anti-oxidant properties
US Patents: 5,997,600; 6,040,273

Guaranteed Analysis

Copper (Cu)	1.3%
1.3% Chelated Copper	
Manganese (Mn)	1.3%
1.3% Chelated Manganese	
Zinc (Zn)	1.3%
1.3% Chelated Zinc	

Derived from Copper Sulfate, Manganese Oxide and Zinc Oxide, chelated with Ethanol, 2- amino-2- hydroxy-1,2,3- propanetricarboxylate; Potassium Hydroxide and Urea.

MAXIMUM Chloride (Cl) content is less than 0.1%

CAUTION:

Keep Out Of Reach Of Children

May be harmful if absorbed through skin. May cause eye irritation. Avoid contact with skin, eyes or clothing.

Statement of Practical Treatment

If inhaled: remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth to mouth. Get medical attention. **If in eyes** : wash with plenty of water. Call a physician if irritation persists. **If on skin** : wash with plenty of soap and water for at least 15 minutes. Get medical attention if irritation persists. If ingested: do not induce vomiting but call a physician and take patient to an emergency facility.

Personal Protective Equipment

Applicators and other handlers must wear long- sleeved shirt and long pants, waterproof gloves and shoes plus socks. Wash clothing after use with a detergent and hot water.

User Safety Recommendations

Users should wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. If contaminated, remove clothing and wash thoroughly and put on clean clothing.

GENERAL INFORMATION

ROOT FEED SUPPLEMENT is a unique form of micronutrient applied through irrigation systems to supplement a Root Feed program.

ROOT FEED SUPPLEMENT is intended as a supplement to a regular fertilization program and will not, by itself, provide all the nutrients that may be required by crops.

ROOT FEED SUPPLEMENT will make roots more vigorous thereby increasing resistance to insects and disease.

Environmental Hazards

Do not apply directly to water or to areas where surface water is present, or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment wash water.

DIRECTIONS FOR USE

Apply 1 to 2 pints per acre every 7 to 14 days through irrigation water as needed. **ROOT FEED SUPPLEMENT** can be mixed with Root Feed in an injection holding tank if applied immediately or it can be injected separately after Root Feed has been applied.

If **ROOT FEED SUPPLEMENT** is mixed with Root Feed, the mixture should not be left to sit for more than a few hours before injection and application through an irrigation system.

Mixing Instructions

Many pesticides may be mixed and applied with **ROOT FEED SUPPLEMENT**.

Mixing sequence:

1. Water 2. **ROOT FEED SUPPLEMENT** 3. Pesticide

Always conduct a "jar test" utilizing all products to be mixed in proper proportion in order to establish compatibility.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Do not reuse empty container. Store in a cool place and out of direct sunlight. Dispose of empty container in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

Conditions Of Sale:

1. Seller warrants this product consists of the ingredients specified and is reasonably fit for the purpose stated on this label when used in accordance with directions under normal conditions of use. No one other than an officer of Seller is authorized to make any warranty, guarantee or direction concerning this product. 2. Because the time, place, rate of application and other conditions of use are beyond Seller's control, Seller's liability from handling, storage and use of this product is limited to replacement of product or refund of purchase price.

NOTE: The information contained herein is true and accurate to the best of our knowledge and belief, but is presented without guarantee since field conditions and use are beyond our control. Neither the manufacturer nor the seller make any warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use of this material when such use is contrary to label instruction. Read and follow the label directions carefully.
