& Rose Pests
Concentrate

**INSECTICIDE
MITICIDE
FUNGICIDE**

or Outdoor Use Only

One Gallon

All-natural & Bio-degradable

Contents: Organic Surfactant 63.76%, Organic Soy Oil 19.22%, Pure Peppermint Oil 0.80%, Pure Rosemary Oil 0.80%, Sodium Bicarbonate 2.21%, Potassium Chloride 2.21%

Active Ingredients: Diluted to eight parts water, one part product. Certified Organic Soybean Oil 3.0%, Pure Peppermint Oil .10%, Pure Rosemary Oil .10%

Inert Ingredients: Fatty acids, coco potassium salts, certified organic coconut oil, sodium bicarbonate, potassium chloride (from a mined source) and water.

For Best Results:SRAY AT DUSK! this lengthens drying time and treatment. **For Regular Maintenance:** Mix 8 parts water to 1 part concentrate spraying every 7-10 days. **Infestations:** Mix 4 parts water to 1 part concentrate and spray weekly until pest pressure is eliminated. **For Scale:** Remove affected leaves first then spray an even mist on well-watered plants. Thoroughly water plants in the A.M. At dusk spray a fine even mist on leaves top and bottom canes and (if you have blackspot) the base of the rose. Please do not over spray, do not spray to drip. There should not be a soapy residue on the leaves. Applications during mid-day or high temperatures may cause leaf burn or leaf fall, neither of which should harm the plant. Please test on seedlings and ornamentals before full application. Pharm Solutions products are safe, bio-degradable, and will not harm beneficials should they land on treated plants. Do not use within 30 days of a sulfur application. Avoid wood siding. Pest and disease will not become resistant to this product. Use every 10 days for best results.

Controls: Mealybugs, Ants, Thrips, Aphids, Spider Mites, Whiteflies, Scale, Leafhoppers, Earwigs, Horticultural Fungus and more. Repeat at first sign of infestation.

Use our **Garlic Pharm** between applications to repel insects.

**Use Freely Until Harvest
Patent Pending**

Your pure and natural
answer to Garden Pests.

Designed with your family
and the environment in
mind, all ingredients are
pure and natural, food or
