

# SHAKE WELL BEFORE USE DO NOT FREEZE

## PRINCIPAL FUNCTIONING AGENTS

Alkylpolyglycosides, Defoamers, Nonionic Coupling Agents.....	20.0%
Blend of Ammonium Salts.....	25.5%
Inert Ingredients.....	54.5%
<b>TOTAL.....</b>	<b>100.0%</b>

## GENERAL INFORMATION

**SYNURGIZE** will enhance the herbicide activity of certain post-emergence herbicides when used at the proper rate. **SYNURGIZE** is a proprietary blend of high-quality, nonionic surfactants (phosphate ester of polyglycols) and ammonium salts. When used at recommended rates, **SYNURGIZE** can increase the performance of those herbicides recommended for use with ammonium-based nitrogen. The added herbicide performance produced by the use of **SYNURGIZE** may be more apparent in situations of environmental stress.

## DIRECTIONS FOR USE

Add **SYNURGIZE** to the spray tank at the rate specified by the herbicide label and follow directions for use as to rates, timing, procedures, and crop restrictions. Check compatibility of proposed spray mixture in a jar test before large scale mixing. It is recommended that a test area be used when conditions of high humidity or high temperature exist.

**Recommended Rate:** 1-2 qt (32-64 oz) per 100 gallons water

### MIXING INSTRUCTIONS

Add half the amount of water to the spray tank and begin agitation. Add the required amount of **SYNURGIZE** and herbicides to the spray tank. Add the remainder with water. Continue agitation until all **SYNURGIZE** has been applied.

## STORAGE AND DISPOSAL

Store in a cool, dry place in original container. DO NOT FREEZE. Keep container tightly closed. Do not reuse empty container. Triple rinse then

offer for recycling or for disposal in a sanitary landfill, or by other means in accordance with local, state, and federal regulations.

## PRECAUTIONARY STATEMENTS

Avoid contact with eyes and skin. Avoid breathing vapors or spray mist. Wear eye/face protection and protective gloves. Do not eat, drink, or smoke when using this product. Wash hands thoroughly after handling. Use adequate ventilation. Keep away from open flame. In case of fire, use dry chemical fire extinguisher to extinguish.

FOR A SPILL, LEAK, EXPOSURE, OR FIRE INVOLVING THIS PRODUCT, CALL CHEMTREC (800) 424-9300 (24 HRS)

## FIRST AID

If in eyes: Hold eye open and rinse gently with water for 15-20 minutes. Remove contact lenses, if present, after 5 minutes and continue rinsing. If on skin: Take off contaminated clothing immediately. Rinse skin with water for 15-20 minutes. If symptoms persist, contact a poison control center or doctor for treatment advice.

## CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

Manufacturer warrants that this product conforms to its chemical description and will perform as stated on the label when used according to directions and under normal conditions. Neither this warranty nor any other warranty of merchantability, expressed or implied, extends to the use of this product contrary to label directions. No employee or agent of AgXplore International, LLC, the manufacturer of this product, nor the seller, is authorized to vary the Conditions of Sale and Limitation of Warranty and Liability. Buyer assumes all risk if this product is used in any manner or under any condition other than those specifically set forth on the label. To the extent permitted by law, the Buyer's or User's exclusive remedy for any injury, loss, or damage resulting from handling or use of this product shall be limited to one of the following, at the discretion of AgXplore International, LLC: Direct damages not exceeding the purchase price of the product or replacement of the product. AgXplore International, LLC and the seller of this product shall not be liable for consequential, special, or incidental damages or losses, nor damages in the nature of a penalty.
