Subject: **Continuing Letter of Guaranty**

RE: **SaniDate® HC – EPA Reg. No. 70299-31**

To Whom It May Concern:

BioSafe Systems, LLC, the manufacturer of **SaniDate HC**, hereby guarantees that this product meets the specifications claimed on the label and is formulated from batches certified in accordance with the applicable regulations promulgated under all applicable EPA regulations.

**SaniDate® HC** (EPA Reg. No. 70299-31) is an EPA registered pesticide, labeled to control bacteria, fungi, algae, and plant pathogenic organisms in agricultural irrigation systems and water. This product can be used in agricultural field irrigation water and systems. This product is designed to control soil-borne and foliar plant pathogens.

When used according to label directions, workers who handle and apply this product are adequately protected when following the Precautionary statements and Personal Protective Equipment (PPE) instructions as found on the label. Handlers who may be exposed to the undiluted product through mixing, loading, application, or other tasks must wear: coveralls over long-sleeved shirt and pants, socks and chemical resistant footwear. Wear protective eyewear (chemical resistant goggles, face shield, or safety glasses), chemical resistant gloves and respiratory protection. When mixing, loading or cleaning equipment wear a chemical resistant apron. Workers are also protected by the Restricted-Entry Interval (REI) as found on the label and appropriate PPE for early entry into treated areas. First Aid instructions are found on the label directing the user the steps to be taken in the case of accidental worker exposure.

In addition, the active ingredients in this product, hydrogen peroxide (H<sub>2</sub>O<sub>2</sub>) and peroxyacetic acid (PAA), as listed in 40 CFR §180.1196, are US EPA-exempt from the requirement of a tolerance, as there are no residues. Both active ingredients in this product, hydrogen peroxide and acetic acid, are food grade and considered Generally Recognized as Safe (GRAS) by the FDA under 21 CFR § 582.

Please contact me with any questions.

Sincerely,

A handwritten signature in black ink that reads "Yesenia Fuentes".

Yesenia Fuentes
