

APPLICATION:

Apply Seed+ Graphite to the seeds before planting. Application should be made in such a way that all seeds are thoroughly coated. Fill seed hopper box half full of seeds, apply half of the recommended dosage of Seed+ Graphite and stir completely. Fill the hopper box with the remaining seeds, spread the other half of the recommended dosage of Seed+ Graphite on top of the seeds and stir again. Keep seeds dry until planting.

RECOMMENDED SEED+ Graphite APPLICATION RATES:

CROP	APPLICATION RATES	
	oz per 100 lb seeds	kg/100 kg seeds
Alfalfa	4	0.25
Barley, oats, rye	4	0.25

PRECAUTIONARY STATEMENTS

Keep out of reach of children. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Do not breathe dust. Wash skin thoroughly after handling. Do not eat, drink or smoke when using this product. Wear eye protection/face protection. Wear protective gloves. If exposed or concerned, get medical advice/attention. Get medical advice/attention if you feel unwell.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical advice.

Store locked up. Dispose of contents/container in accordance with local regulations.

STORAGE: Store in a clean dry place, above 0°C (32°F) and below 43°C (110°F). Keep container tightly closed. Do not store in direct sunlight.

IMPORTANT NOTICE: Read the entire label. Use only in accordance with the label instructions. Use in conjunction with a normal fertilizer program. Seed+ Graphite is intended as a supplement to a regular fertilizer program and will not, by itself, provide all the nutrients normally required by plants. If terms of Limited Warranty are unacceptable, return unopened product at once.

LIMITED WARRANTY: Cytzyme Laboratories, Inc. warrants that this product conforms to the description on the label within customary industry standards. The conditions and methods of handling are beyond the control of Cytzyme Laboratories, Inc. As such, this warranty extends only to the identity and composition at the time of delivery. Cytzyme Laboratories, Inc. expressly disclaims liability for any loss connected with misuse of this product. (This limitation of warranty is void where prohibited by law.)

NOTICE: Application of products containing molybdenum may result in forage crops that contain levels of molybdenum that are toxic to ruminant animals. The proper use of soil and/or petiole test recommendations will minimize the risk of over-application of molybdenum.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.html>
