**CAUTION**

**All applicable directions, restrictions and precautions on the EPA-registered label are to be followed.**

**Before using Sequence Herbicide as permitted according to this supplemental label, read and follow all applicable directions, restrictions, and precautions on the EPA registered label on or attached to the pesticide product container. This Supplemental Labeling contains revised use instructions and or restrictions that may be different from those that appear on the container label. This Supplemental Labeling supersedes the Directions for Use on the container label. This Supplemental Labeling must be in the possession of the user at the time of pesticide application. It is a violation of Federal law to use this product in a manner inconsistent with its labeling.**

SCP 1185-S2 0804

---

**DIRECTIONS FOR USE**

---

It is a violation of federal law to use this product in any manner inconsistent with its labeling.

This label must be in the possession of the user at the time of the application.

AVOID CONTACT OF SEQUENCE HERBICIDE WITH FOLIAGE, GREEN STEMS, EXPOSED NON-WOODY ROOTS OR FRUIT OF CROPS, DESIRABLE PLANTS AND TREES, BECAUSE SEVERE INJURY OR DEATH OF PLANTS MAY RESULT.

Read "GENERAL INFORMATION" and "DIRECTIONS FOR USE" sections of the label booklet for Sequence Herbicide before using this supplemental label.

---

**APPLICABLE AREA**

---

This supplemental labeling applies only to the area within the following boundaries of Fresno County, California.

North: Fresno County line  
South: Fresno County line  
East: State Highway 99  
West: Fresno County line

---

**GENERAL INFORMATION**

---

Read and follow the label directions and precautionary statements for this product and any tank mix partner products used in the aerial application. Observe the following directions to minimize off-site movement during aerial application of this product. Minimization of off-site movement is the responsibility of the grower, Pest Control Advisor and aerial applicator.

**Written Recommendations**

A written recommendation MUST be submitted by or on behalf of the applicator to the Fresno County Agricultural Commissioner 24 hours prior to the application. This written recommendation MUST state the proximity of surrounding crops, and that Directions of Use of each manufacturer's product label and this Supplemental Label have been satisfied.

---

## **AERIAL APPLICATOR TRAINING AND EQUIPMENT**

---

Aerial application of this product is limited to pilots who have successfully completed a Fresno County Agricultural Commissioner and California Department of Pesticide Regulation approved training program for aerial application of herbicides. All aircraft must be inspected, critiqued in flight and certified at a Fresno County Agricultural Commissioner approved fly-in. Test and calibrate spray equipment at intervals sufficient to insure that proper rates of pesticide products are being applied during commercial use. Applicator must document such calibrations and testing. Demonstration of performance at Fresno County Agricultural Commissioner approved fly-ins constitutes such documentation, or other written records showing calculations and measurements of flight and spray parameters acceptable to the Fresno County Agricultural Commissioner.

**Applications at Night** – Do not apply this product by air earlier than 30 minutes prior to sunrise and/or later than 30 minutes after sunset without prior permission from the Fresno County Agricultural Commissioner.

**Note:** From February 15 to March 31 follow the directions on this supplemental labeling. For other times of aerial application follow the Supplemental Label “Supplemental Label for Sequence Herbicide For Aerial Application in California Only”

**Read the “Conditions of Sale and Limitation of Warranty and Liability” in the label booklet for Sequence Herbicide before using this product. These terms apply to this supplemental labeling, and if these terms are not acceptable, return the product unopened at once.**
