General Information:

SET-IT is a foliar applied liquid fertilizer which helps the plant growth during setting stage. Always along with basic fertilization program, SET-IT helps plant vigor, setting, and fruit growth. SET-IT is designed to help all crops from fruit trees to vegetables, row and filed crops.

The logo for AgroPlantæ features a stylized plant icon on the left, composed of several overlapping leaf shapes in shades of red and orange. To the right of the icon, the brand name "AgroPlantæ" is written in a bold, sans-serif font. The letter "A" is significantly larger and more prominent than the other letters, and the "æ" is a stylized ligature. The entire logo is set against a solid red background.
