

# Spectra Max Tech™

## Spectra Max Tech™ Manufacturing Concentrate

### Principal Functioning Agents

Sodium polyacrylate-citrophosphate glycerol complex with siloxane.....	18.0%
Ammoniated salt solution as formulation aid*.....	82.0%
Total.....	100.0%

\*This product contains equivalent to 1.2 pounds of ammonium sulfate per gallon.  
All ingredients accepted for use under 40 CFR 180.

### KEEP OUT OF REACH OF CHILDREN WARNING

#### Hazard Statements

- Causes skin irritation.
- Causes serious eye irritation.

#### Precautionary Statements

- Wash thoroughly after handling.
- Wear protective glove/eye/face protection.
- IF IN EYES: Rinse continuously with water for several minutes.
- Remove contact lenses if present and easy to do; continue rinsing.
- Immediately call a poison center or doctor/physician.
- IF ON SKIN: Wash with plenty of soap and water.
- Take off contaminated clothing and wash before reuse.

#### Environmental Hazards

Do not contaminate water sources by cleaning of equipment or disposal of wastewaters.

#### First Aid

Call a poison control center or doctor/physician immediately for treatment advice.

**If Swallowed:** Have the person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

**If Inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.

**If in Eyes:** Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Immediately call a poison center or doctor/physician.

**If on Skin or Clothing:** Take off contaminated clothing and wash before reuse. Rinse skin immediately with plenty of soap and water for 15 to 20 minutes.

#### General Information

Spectra Max Tech is a Manufacturing Concentrate to be used in the production of Spectra AMS or an equivalent dealer-labeled product.

Spectra Max Tech contains an integrated water conditioning system with an optimized rate of viscosity modifiers.

When blended with the appropriate level of ammonium sulfate solution, the final product is a user-friendly, complete water conditioning system.

#### Directions For Use

Spectra Max Tech is a manufacturing concentrate to be commercially blended with ammonium sulfate solutions.

Spectra Max Tech is not to be used as a tank mix adjuvant, and is not for retail sale.

Spectra Max Tech must be used in accordance with the supplemental manufacturing procedure guidelines. Read and follow these guidelines carefully.

#### Storage and Disposal

Do not contaminate water, food, or feed by storage or disposal.

**Storage:** Store in a closed container. Store above 32° F. Store away from heat or open flame and oxidizing materials. Keep from freezing.

**Disposal:** Wastes resulting from this product may be disposed of on site or at an approved waste disposal facility. Triple rinse (or equivalent) during mixing and loading. Returnable mini-bulk tanks should be rinsed and dried thoroughly. If the tank has reached the end of its usable life, dispose according to local, state and federal regulations. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit [www.acrcycle.org](http://www.acrcycle.org). Dispose of contents/container in accordance with local/national regulations.

#### Compatible With All Glyphosates

#### CONDITIONS OF SALE, LIMITED WARRANTY, AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale – Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded. The directions of this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of KALO, Inc., the manufacturer or seller. In addition, failure to follow label directions may cause injury to crops, animals, workers or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind express or implied concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at KALO, Inc.'s election, one of the following:

1. Refund of the purchase price paid by buyer or user for product purchased, or,
2. Replacement of the product used.

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company, the manufacturer and seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
