

# STAKE™

## High Surfactant Oil Concentrate

### WARNING

#### KEEP OUT OF REACH OF CHILDREN

Harmful if swallowed. Causes skin irritation. Causes serious eye irritation. May cause respiratory irritation. Read label before use. Keep container tightly closed. Keep only in original container. Avoid breathing dust/ fume/ gas/ mist/ vapors/spray. Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product. Use only outdoors or in a well ventilated area. Wear protective gloves/protective clothing/eye protection/face protection. Store in a well-ventilated place. Keep cool. Dispose of contents in container to an approved waste disposal facility in accordance with local/regional/national/international regulations.

**Personal Protective Equipment:** Wear chemical resistant gloves, goggles, long-sleeved shirt and long pants, and shoes plus socks.

**Note to Physician:** Contains petroleum distillate. Vomiting may cause aspiration pneumonia.

**Principal Functioning Agents:**

Petroleum hydrocarbons, fatty acids of tall oil, alkylphenol ethoxylates . . . . 99%  
Constituents ineffective as spray adjuvants . . . . . 1%  
**Total . . . . . 100%**

All ingredients are exempt from tolerance under 40 CFR 180.

**FIRST AID**

**Call a poison control center or doctor immediately for treatment advice.** Have the product container with you when calling a poison control center or doctor, or going for treatment.

**IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do then continue rinsing. Have the product container with you when calling a poison control center or doctor, or going for treatment. If eye irritation persists: Get medical advice/attention.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing and wash it before reuse. Wash with plenty of soap and water for several minutes. Call a poison center, doctor, chemical manufacturer, importer, or distributor to specify the appropriate source of emergency medical advice. IF skin irritation persists: Get medical advice/attention.

**IF SWALLOWED:** Immediately call a POISON CENTER or doctor/physician chemical manufacturer, importer, or distributor to specify the appropriate source of emergency medical advice. Rinse mouth. Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. Do not give anything by mouth to an unconscious person.

**IF INHALED:** If breathing is difficult, remove person to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell.

**GENERAL INFORMATION**

**STAKE** is a highly concentrated blend of emulsifiers and petroleum oil. The product is designed for use with a broad range of herbicides where an oil concentrate adjuvant is recommended. **STAKE** increases contact activity

and penetration of the spray, while also providing uniform coverage on leaf surfaces at half the use rate of a standard crop oil. Always follow herbicide label recommendations. Care should be taken in treating sensitive crops during drought stress, high temperatures and high humidity.

**DIRECTIONS FOR USE**

To prepare for pesticide application, fill spray tank one-half full with water and begin agitation. Add pesticide or fertilizer as recommended and then add **STAKE**, while continuing agitation. Continue to agitate, until tank is full and agitate before and during each application.

**NOTE:** The effect of any adjuvant on a chemical's performance is not predictable under all conditions of weather, plant vigor, application methods and even water types. The user should consult his local agricultural extension agent or make his own tests to determine the optimum level of **STAKE** for special pesticide spray and crop. **NOT FOR AQUATIC USE**

**APPLICATION OR USE RATES**

Ground, Aerial, Low volume, CDA:

Recommended Rate of Crop Oil Concentrate	Stake Use Rate
1% v/v (1 gallon per 100 gallons of water)	0.5% v/v (2 quarts per 100 gallons of water)
0.5% v/v (2 quarts per 100 gallons of water)	0.25% v/v (1 quart per 100 gallons of water)
2 pints per acre	1 pint per acre

**STORAGE AND DISPOSAL**

**Storage:** Store in a cool well-ventilated place. Keep in original container tightly closed. Do not reuse empty container. Do not store with food, feed, or other material to be used or consumed by humans or animals. Do not contaminate water supplies. For optimal storage, store between 40° and 90° F.

**Disposal:** Do not contaminate water, food or feed by storage or disposal. Dispose of contents in container to an approved waste disposal facility in accordance with all local /regional/national/international regulations. Triple rinse (or equivalent) adding rinse water to application tank. Offer container for recycling or dispose of in a sanitary landfill or by other procedures approved by local regulations. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at [www.acrcycle.org](http://www.acrcycle.org). Decontaminated containers and materials must be disposed of in a manner allowed by local, state and federal laws and regulations.

Conditions of Sale and Warranty Limitation: The Directions for Use of this product reflect the opinion of experts based on field use and tests.

The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or use of the product in a manner inconsistent with its labeling, all of which are beyond the control of West Central Distribution, LLC or the seller. All such risks shall be assumed by the buyer. West Central Distribution, LLC warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use, subject to the inherent risks referred to above. West Central Distribution, LLC makes no other express or implied warranty of fitness or merchantability or any other express or implied warranty. In no case shall West Central Distribution, LLC or the seller be liable for consequential, special or indirect damages resulting from the use or handling of this product. West Central Distribution, LLC and the seller offer this product, and the Buyer and the User accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of West Central Distribution, LLC.
