

Stubble Digester+™

Crop Residue Treatment

Stubble Digester+ crop residue treatment is designed to promote rapid degradation of crop residue

Guaranteed Analysis	
Sulfur (S)	3.00%
3.00% combined Sulfur (S)	
Copper (Cu)	1.20%
1.20% water soluble Copper (Cu)	
Iron (Fe)	1.30%
1.30% water soluble Iron (Fe)	
Manganese (Mn)	0.45%
0.45% water soluble Manganese (Mn)	
Zinc (Zn)	2.30%
2.30% water soluble Zinc (Zn)	

Derived from Copper Sulfate, Ferrous Sulfate, Manganese Sulfate and Zinc Sulfate.

May be Harmful if Swallowed. May Cause Skin and Eye Irritation.

KEEP OUT OF REACH OF CHILDREN.

Stubble Digester+™

APPLICATION: SHAKE WELL before using. Apply as early as possible after harvest. Disc, chisel, or otherwise till during or following application. Consistent ground moisture greatly enhances product performance. To apply Stubble Digester+ shake well and dilute with water (1:100 for aerial application, 1:200 for ground rig or hand sprayer application) prior to spraying. To co-apply with herbicides or pesticides, dilute 1 part Stubble Digester+ with 5 parts water prior to mixing with pre-diluted herbicide or pesticide. Spray as directed above. For best results apply Stubble Digester+ with 30-40 lb nitrogen (N) per acre (35-45 kg/ha) to optimize C:N ratio and improve decomposition of crop residues.

Crop	Application Rate	Application Time
Sorghum, milo	14 fl oz/acre (1000 ml/ha)	Apply Stubble Digester+ in fall, following harvest. Application may be made as late as six weeks prior to planting.
Cotton, corn, rice, wheat, barley, oats, rye and vegetables	14 fl oz/acre (1000 ml/ha)	
Lupine rape; pasture, hay, and lawn grasses	14 fl oz/acre (1000 ml/ha)	

STORAGE: Store in a clean, dry place at temperatures between freezing and 110°F (43°C). Do not store in direct sunlight. Keep container tightly closed. Do not store diluted product. Keep out of reach of children.

LIMITED WARRANTY: Cytozyme Laboratories, Inc. warrants that this product conforms to the description on the label within customary industry standards. The conditions and methods of handling are beyond the control of Cytozyme Laboratories, Inc. As such, this warranty extends only to the identity and composition at the time of delivery. Cytozyme Laboratories, Inc. expressly disclaims liability for any loss connected with misuse of this product. (This limitation of warranty is void where prohibited by law.)

IMPORTANT NOTICE: Read the entire label. Use only in accordance with the label instructions. Over-application of Stubble Digester+ crop residue treatment may be phytotoxic or cause undesirable effects. If terms of Limited Warranty section are not acceptable, return product at once unopened.
