

# SuperValue

## CROP OIL

Use **SuperValue Crop Oil** when the active ingredient label recommends the use of a crop oil concentrate (COC). **SuperValue Crop Oil** is formulated to deliver an industry standard crop oil concentrate and emulsifying system that increases wetting and even distribution of the active ingredient throughout the canopy.

**PRINCIPAL FUNCTIONING AGENTS**

Lubricating oils (petroleum), hydrotreated spent, Tall oil fatty acids .....	99.93%
Branched alkyl phenol ethoxylate .....	0.07%
Constituents ineffective as spray adjuvants .....	0.00%
TOTAL .....	100.00%

CONTAINS PETROLEUM DISTILLATES.

All ingredients are exempt from tolerance under 40 CFR 180.

**KEEP OUT OF REACH OF CHILDREN**

Avoid contact with skin, eyes or clothing. Do not take internally. Do not eat, drink, smoke or chew gum while using this product. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

**FIRST AID**

Call a poison control center or doctor immediately for treatment advice. Have the product container with you when calling a poison control center or doctor, or going for treatment.

**IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do then continue rinsing.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing and wash it before reuse. Wash with plenty of soap and water for several minutes.

**IF SWALLOWED:** Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. Do not give anything by mouth to an unconscious person. DO NOT INDUCE VOMITING.

**IF INHALED:** If breathing is difficult, remove person to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, and then give artificial respiration.

**DIRECTIONS FOR USE**

Follow the recommendations of the most restrictive active ingredient label.

Tank mixtures should only be applied within the label recommendations of every product in the tank mixture.

Compatible with most active ingredients and most crops and non-crops.

Recommended for use when the label calls for a crop oil concentrate (COC)

Use only if a crop oil concentrate (COC) is allowed or not excluded on the label. If the user does not have experience with the mixture being applied, perform a jar test using the order and amounts in the mixture and perform a phytotoxicity test to ensure crop safety.

**Not for Aquatic Use in the State of Washington.**

**Order of addition**

In general, follow the W-A-L-E-S plan when adding herbicides to a tank mix.

1. Wettable Powders (WP) then Flowables (F, DF)
2. Agitate then add anti-foaming compounds, buffers
3. Liquid and Soluble products
4. Emulsifiable concentrates (EC)
5. SuperValue Crop Oil and other adjuvants

Prior to mixing fill spray tank with half of the carrier. Then start the sprayer and check to make sure that all valves and gauges work and that there is proper tank agitation.

**USE RATES**

**Ground applications:** 1 to 4 pints per acre in 5-30 gallons of spray solution.

**Aerial applications:** 6-16 ounce / acre. A minimum of 1.0% v/v is recommended for aerial and low volume spray applications.

Use rate may be adjusted when applying during hot, dry conditions or when the target is waxy and weather-hardened.

Do not exceed 2.5% v/v concentration.

**STORAGE AND DISPOSAL**

**Storage:** Store in a cool well ventilated place. Store in original container only. Do not add anything to the container. Keep container tightly sealed when not in use. Do not store near oxidizing agents. Do not store near fire, flame or other potential sources of ignition. Do not contaminate water, food or feed by storage or disposal of this product. STORE BETWEEN 40° AND 90° F.

**Disposal:** Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal if allowed by law. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at [www.acrecycle.org](http://www.acrecycle.org). Decontaminated containers and materials must be disposed of in a manner allowed by local, state and federal laws and regulations.

**LIMITED WARRANTY AND CONDITIONS OF SALE**

The Manufacturer warrants only that the chemical composition of this product conforms to the ingredient statement given on the label, and that the product is reasonably suited for the labeled use when applied according to the Directions for Use. Neither Manufacturer or Seller makes any other express or implied warranties, including without limitation, the implied warranty of merchantability or fitness for a particular purpose, all of which are expressly disclaimed. Any damages arising from a breach of the Manufacturer's warranty shall be limited to direct damages, shall not include indirect or consequential damages such as loss of profits or values, and shall not, in any event, exceed the purchase price of this package of product. This Limited Warranty does not extend to the use of the product inconsistent with the label instructions, warnings or cautions, or use of the product under abnormal conditions such as drought, excessive rainfall or other weather conditions or factors that are beyond the control of the Manufacturer and/or the Seller. Any written or verbal statements or agreements cannot vary the terms of this Limited Warranty and Disclaimer. No employee or agent of the Manufacturer or Seller is authorized to vary or exceed the terms of this Limited Warranty and Disclaimer in any manner.

*SuperValue Crop Oil is manufactured for Ag Supplier.*
