

SuperValue TERRAFIX

DEPOSITION AID

SuperValue TerraFix is formulated with a superior surfactant system and paraffinic oil to improve deposition and penetration of the active ingredient into the target surface. **SuperValue TerraFix** promotes efficacy by increasing soil adsorption which can help to reduce run-off and leaching of the spray application. **SuperValue TerraFix** is recommended for application in a broad range of crop and non-crop uses and is compatible with most active ingredients.

PRINCIPAL FUNCTIONING AGENTS

Lubricating oils, (petroleum), hydrotreated spent, Oleic acid, and Alcohol ethoxylate 99.2%
Constituents ineffective as spray adjuvants..... 0.8%
Total 100%
*Contains petroleum distillates

All ingredients are exempt from tolerance under 40 CFR 180.

CAUTION

KEEP OUT OF REACH OF CHILDREN

Read label before use. Keep container tightly closed. Keep only in original container. Do not eat, drink or smoke when using this product. Avoid breathing mist, vapors or spray. Wash hands thoroughly after handling. Wear protective gloves, protective clothing, eye protection.

FIRST AID

Have the product container with you when calling a poison control center or doctor, or going for treatment.

EYE CONTACT: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do then continue rinsing for several minutes.

SKIN CONTACT: Take off contaminated clothing and wash it before reuse. Wash with plenty of soap and water for several minutes. Call a poison center or physician to specify the appropriate source of emergency medical advice.

INGESTION: Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. Do not give anything by mouth to an unconscious person. Immediately call a poison center or physician to specify the appropriate source of emergency medical advice. **DO NOT INDUCE VOMITING.**

INHALATION: If breathing is difficult, remove person to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, and then give artificial respiration, preferably mouth to mouth if possible.

DIRECTIONS FOR USE

Follow the instructions on the most restrictive active ingredient label. Tank mixtures should only be applied within the label recommendations of every product in the tank mixture.

NOT FOR AQUATIC USE IN THE STATE OF WASHINGTON.

Order of addition

Prior to mixing, fill the spray tank with half of the carrier. Start the sprayer and check to make sure that all valves and gauges work and that there is adequate tank agitation.

In general, follow the W-A-L-E-S plan when adding herbicides to a tank mix.

- 1. Wettable Powders (WP) then Flowables (F, DF)
- 2. Agitate then add anti-foaming compounds or buffers
- 3. Liquid and Soluble products
- 4. Emulsifiable concentrates (EC)
- 5. SuperValue TerraFix

Caution should be used when applying this or any other product on crops during hot, dry conditions.

Though phytotoxicity has been evaluated, care should be taken by conducting a jar test or testing this product on sensitive plants before full application is performed.

APPLICATION RATES

Application rate of tank mix by air or ground (gallons per acre)	Application rate of SuperValue TerraFix per acre
0-5	6 to 16 ounces*
5-30	1 to 4 pints
Above 30	1% minimum in spray mix

*Ensure 1% minimum is added to the spray tank but do not exceed 5%.

Small volume equipment: 0.5 to 1 ounce per gallon of solution.

STORAGE AND DISPOSAL

Storage: Store in a cool well-ventilated place. Keep in original container tightly closed. Do not reuse empty container. Do not store with food, feed, or other material to be used or consumed by humans or animals. Do not contaminate water supplies. **STORE BETWEEN 40° AND 90° F.**

Disposal: Do not contaminate water, food or feed by disposal. Dispose of contents in container to an approved waste disposal facility in accordance with all local, regional, national and international regulations. Triple rinse (or equivalent) adding rinse water to application tank. Offer container for recycling or dispose of in a sanitary landfill or by other procedures approved by local regulations. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrecycle.org.

LIMITED WARRANTY AND CONDITIONS OF SALE

The Manufacturer warrants only that the chemical composition of this product conforms to the ingredient statement given on the label, and that the product is reasonably suited for the labeled use when applied according to the Directions for Use. Neither Manufacturer or Seller makes any other express or implied warranties, including without limitation, the implied warranty of merchantability or fitness for a particular purpose, all of which are expressly disclaimed. Any damages arising from a breach of the Manufacturer's warranty shall be limited to direct damages, shall not include indirect or consequential damages such as loss of profits or values, and shall not, in any event, exceed the purchase price of this package of product. This Limited Warranty does not extend to the use of the product inconsistent with the label instructions, warnings or cautions, or use of the product under abnormal conditions such as drought, excessive rainfall or other weather conditions or factors that are beyond the control of the Manufacturer and/or the Seller. Any written or verbal statements or agreements cannot vary the terms of this Limited Warranty and Disclaimer. No employee or agent of the Manufacturer or Seller is authorized to vary or exceed the terms of this Limited Warranty and Disclaimer in any manner.

SuperValue TerraFix is manufactured for Ag Supplier.
