(PELIGRO! AL USUARIO: Si usted no lee ingles, no usa este producto hasta que la etiqueta le haya sido explicada ampliamente.

### **ENVIRONMENTAL HAZARDS**

Do not contaminate water by cleaning of equipment or disposal of wastes. Use this product only as specified on label.

### **PHYSICAL OR CHEMICAL HAZARDS**

Concentrated Sure Up™ Wash spillage off thoroughly. The same precautions should be observed in equipment stored after use.

**DIRECTIONS FOR USE** USE THIS PRODUCT ONLY AS SPECIFIED ON LABEL. Sure Up™ adjuvant should be added to the spray water with adequate agitation prior to the addition of the herbicide. If not otherwise specified on the herbicide label, fill the tank half full add Sure Up™ at the recommended rate, add remainder of water and then the recommended rate of herbicide. Sure Up™ adjuvant increases the solubility of sulfonyl urea herbicides and provides the surfactant functions of sticking, spreading and wetting of the sprayed foliage. Sure Up™ is a surfactant and a water conditioner that increases the pH of the spray tank. Use Sure Up™ as you would use any 90% nonionic surfactant. Use rates of Sure Up™ surfactant should be 1 to 2 quarts per 100 gallons of spray solution.

### **HERBICIDES**

Sure Up™ is designed to enhance the performance and consistency of post emergent sulfonyl urea herbicide such as Maverick, Olympus, Everest and Osprey.

### **STORAGE AND DISPOSAL**

**DO NOT CONTAMINATE WATER, FOOD OR FEED BY STORAGE OR DISPOSAL.**

**STORAGE:** Do not store at temperatures above 140°F.

**DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** Triple rinse (or equivalent) all containers and offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or use other procedures approved by state and local authorities.

**CONDITIONS OF SALE AND WARRANTY:** 1. Seller warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated when used in accordance with the use directions under normal conditions. Seller neither makes, nor authorizes any agent or representative to make any other warranty of **FITNESS** or of **MERCHANTABILITY**, guarantee or representation, express or implied concerning this material. 2. Critical and unforeseeable factors beyond the Seller control prevent it from eliminating all risks in connection with the use of this material. Such risks include, but are not limited to damage to plants and crops to which the material is applied, lack of complete control, and damage caused by drift to other plants or crops. Such risks occur even though the product is reasonably fit for the uses stated herein and even though label directions are followed. Buyer and user acknowledge and assume all risks and liability resulting from handling, storage, and use of this material (except those assumed in 1 above). Seller shall not be liable for incidental or consequential damages.
