

SYNERGY™

GENERAL INFORMATION

Synergy is a nutrient enhancement product. It is designed to be applied in combination with other liquid fertilizer products. It can be soil or foliar applied. Before mixing Synergy with other products, always evaluate product compatibility by performing a jar test.

DIRECTIONS FOR USE

- Mix well before use
- Dilute fertilizer for application
- Conduct jar test for compatibility before mixing Synergy with other products

Specialty product. Not for agricultural use.

STORAGE AND DISPOSAL

Store in a cool dark place. Dispose of waste and containers in accordance with state and local regulations.

WISErg Corporation warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used according to the directions. Seller and manufacturer make no other warranties, express or implied. Buyer assumes responsibilities and risks associated with product use.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.html>
