Environmental Protection

August 15, 2019

## ***RESTRICTED USE PESTICIDE***

This product is both Federally-Restricted and California-Restricted, due to acute oral, dermal, and inhalation toxicity and also avian hazards.

For retail sale to and use only by Certified Applicators or persons under their direct supervision and only for those uses covered by the Certified Applicator's certification.

FIFRA 24(c) Special Local Need Label (SLN)  
For distribution and use only in the state of California

For use on Field Grown Lilies for control of Nematodes.

## **Thimet 20-G Lock N' Load**

**EPA Reg. No.:** 5481-530

**SLN #** CA-870069

**Firm Name:** Amvac Chemical Corporation

**This label expires and must not be distributed or used in accordance with this SLN registration after August 15, 2024.**

### **Directions for Use**

- It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
- This state-specific Section 24(c) labeling must be in the possession of the user at the time of application.
- Follow all applicable directions, restrictions, and precautions on the EPA registered label for Thimet 20-G Lock N' Load (EPA Reg. No. 5481-530) and this label.

**Location:** Del Norte County

**Crop/Site/Commodity:** Field Grown Lilies

**Target Pest/Problem:** Nematodes

**Dosage:** Apply 40 pounds of product per acre (8.0 lbs. active ingredient).

**Dilution Rate:** Not Applicable

**Method of Application:** Ground, Only

**Frequency/Timing of Application:** Make one application at planting time. This product must be incorporated into the soil by applying the granules evenly in the furrow over bulbs and cover completely with soil.

**Restricted Entry Interval (REI):** 48 hours

**Preharvest Interval (PHI):** N/A

- Other Requirements:**
1. This product is very highly toxic to fish and wildlife. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high-water mark. Runoff may be hazardous to aquatic organisms in neighboring areas. Do not contaminate water when disposing of equipment wastewater or rinsate. Birds and mammals may be killed if granules are not properly covered with soil in all areas of the treated field and in loading areas.
  2. Not for use or storage in or around the home.
  3. Do not apply by air.
  4. In the event of a crop failure, any crop on the Thimet 20-G Lock N' Load label can be replanted immediately. All other crops must not be planted in treated fields for 9 months after application.

Valid until withdrawn, suspended or cancelled by the United States Environmental Protection Agency (USEPA), the manufacturer, the 24(c) registrant, the Department of Pesticide Regulation, or expires.

**This product is both Federally-Restricted and California-Restricted.**

**A restricted materials permit must be obtained from the county agricultural commissioner prior to this use.** This does not constitute a recommendation of the Department of Pesticide Regulation and will not prevent quarantine action if illegal residues are found on or in the crop.

To the extent consistent with applicable law, neither the Department nor the county agricultural commissioner, makes any warranty of merchantability, fitness of purpose, or otherwise, expressed or implied, concerning the use of a pesticide in accordance with these provisions. The user and/or grower acknowledge the preceding disclaimer.

Do not use in mixture with other pesticides unless provided for in the labeling. Trial on a small area to check out unanticipated problems is suggested.

**24(c) Registrant:** Easter Lily Research Foundation  
P.O. Box 907  
Brookings, Oregon 97415  
(541) 469-2215

**USEPA SLN No.:** CA-870069

A handwritten signature in black ink, reading "John E. Inouye". The signature is fluid and cursive, with the first name "John" being the most prominent.
