STORAGE AND DISPOSAL

Store in a safe manner. Store in original container only and keep tightly sealed when not in use. Store product and dispose of unused product and empty containers in accordance with federal, state and local regulations.

GENERAL INFORMATION

TILL-IT® GREEN-ZONE® is a low salt index, liquid phosphate fertilizer designed as a starter or pop-up fertilizer.

TILL-IT GREEN-ZONE may be applied below, to the side or in the seed furrow of most crops depending on local conditions and established agricultural practices.

DIRECTIONS FOR USE

Moisture conditions and planting strategies are important considerations when using TILL-IT GREEN-ZONE.

POP-UP APPLICATIONS: Apply 1-5 gallons per planted acre on seed as established by local agricultural practices. TILL-IT GREEN-ZONE may be diluted with water for ease of calibration if needed.

STARTER APPLICATIONS: Apply 1-8 gallons per acre as a band directly below the seed or 5-20 gallons below and to the side of the seed line.

TILL-IT GREEN-ZONE may also be applied as a surface spray band over the top or to the side of the seed prior to planting.

Information regarding the contents and levels of metals in this product is available on the Internet at http://www.aapfco.org/metals.html

rape, mustard, soybeans, and other small seed crops should have TILL-IT GREEN-ZONE placed no closer than 2 inches from the seed.

FOLIAR APPLICATIONS: TILL-IT GREEN-ZONE may also be used as foliar spray at 2-4 quarts for row and field crops and 2-8 quarts for tree crops.

TILL-IT GREEN-ZONE can be applied through center pivot or drip irrigation systems, but check your water source prior to application for calcium or other impurities.

COMPATIBILITY

TILL-IT GREEN-ZONE is not compatible with acid fertilizers. Compatibility with other products may vary.

Conditions of Sale and Limitation of Warranty and Liability:

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using the product.

The Directions for Use of the product should be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product.

Seller warrants that this product conforms to the chemical description on the label. EXCEPT FOR THIS WARRANTY, THE PRODUCT IS FURNISHED "AS-IS," AND NEITHER SELLER NOR MANUFACTURER MAKES ANY OTHER WARRANTIES, EXPRESS OR IMPLIED.

To the extent permitted by law, neither Manufacturer nor Seller shall be liable for any incidental, consequential or special damages resulting from the use or handling of this product.

These Conditions of Sale and Limitation of Warranty and Liability shall be interpreted in accordance with the laws of the State of California.
