Aqueous carrier > 99%

Limited warranty

The seller warrants that this product contains a minimum number of lipo-chitooligosaccharide as specified on the label. The seller makes no other warranty expressed or implied as to product viability or performance since storage, use, and growing conditions are beyond the seller's control. Seller's guarantee is limited to the terms set out on the label and subject thereto. Buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

Net contents

2 x 2.5 gal jugs (9.5 L)

Net weight

41.8 lb (19 kg)

USA

Jug treats

320 acres

Case treats

640 acres

Application Rate

1 fl oz per acre

Compatibility

Can be premixed into products for use on corn in-furrow or 2 x 2 applications.

Caution

- Shake well before use
- Use before expiration date
- Store in a cool place
- Perform jar test prior to tank mixing products to ensure compatibility
- For corn only

Directions for use

- Shake product well
- When adding Torque HC to another product for a packaged combination, place other product into tank then add Torque HC. Mix thoroughly to ensure the combination product is adequately blended
- Torque HC does not require agitation to remain in suspension
- Recommended for both in-furrow and 2 x 2 applications on corn
