KEEP OUT OF REACH OF CHILDREN WARNING

FLAMMABLE LIQUID AND VAPOR. HARMFUL IF SWALLOWED, IN CONTACT WITH SKIN, OR IF INHALED. CAUSES SKIN IRRITATION. CAUSES EYE IRRITATION.

PRECAUTIONARY STATEMENTS

Keep away from heat / sparks / open flames / hot surfaces. No smoking. Keep container tightly closed. Ground / bond container and receiving equipment. Use explosion-proof electrical / ventilating / lighting equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Avoid breathing mist / spray. Wash hands, forearms, and face thoroughly after handling. Do not eat, drink, or smoke when using this product. Use only outdoors or in a well-ventilated area. Call a poison center / doctor if you feel unwell. For specific treatment see the First Aid instructions on this label.

PERSONAL PROTECTIVE EQUIPMENT

Wear protective gloves / protective clothing / eye protection / face protection. Take off contaminated clothing and wash it before reuse.

FIRST AID

If medical advice is needed, have product container or label at hand.

IF SWALLOWED: Call a poison center / doctor if you feel unwell. Rinse mouth. Have a person sip a glass of water if able to swallow. Do NOT induce vomiting, unless told to by a poison center or doctor. Do not give anything by mouth to an unconscious person.

IF ON SKIN (OR HAIR): Wash with plenty of water. Take off immediately all contaminated clothing. Rinse skin with water / shower. If skin irritation occurs, get medical attention.

IF INHALED: Remove person to fresh air and keep comfortable for breathing. If person is having difficulty breathing give oxygen. If not breathing, give artificial respiration. Call a poison center / doctor / Chemtrec if person feels unwell.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical attention.

IN CASE OF FIRE: Use media other than water to extinguish.

ENVIRONMENTAL HAZARDS

Do not contaminate water sources by cleaning of equipment or disposal of wash water.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Storage: Store in a well-ventilated place. Keep cool. Protect from freezing. If product freezes, warm to room temperature and agitate before use. Keep container sealed when not in use. Store in original container only.

Disposal: Dispose of contents / container in accordance with federal, state, and local regulations.

Wastes resulting from the use of this product must be disposed of on-site or at an approved waste disposal facility. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler, visit the ACRC web page at www.acrcycle.org. Decontaminated containers may also be disposed of in a sanitary landfill.

GENERAL INFORMATION

TRACK-IT™ is specifically formulated to maximize marking foam performance in pressurized marker systems by generating greater volumes of heat-stable marking foam under a wider range of operating pressures than ordinary synthetic marking

foams. TRACK-IT's high expansion formulation produces large volumes of thick, long-lasting foam that allows applicators to drop more foam at higher operating pressures and application speeds. In side-by-side field tests, TRACK-IT™ has outlasted ordinary marking foams by over twice as long.

NOT FOR AQUATIC USE.

Read label before use.

DIRECTIONS FOR USE

Thoroughly clean and neutralize application unit foam tank with an approved foam tank cleaner, such as AGRI-KLEEN™, prior to using TRACK-IT™ for the first time. TRACK-IT™ is tolerant to hard water conditions and does not require an additional water softener.

SHAKE WELL BEFORE USING.

DOSAGE

Use TRACK-IT™ at a 100:1 dilution rate (12–13 ounces of TRACK-IT per 10 gallons of water).

DISCLAIMER OF WARRANTIES

J.R. Simplot Company warrants that the composition of this product conforms to the description and is reasonably fit for the purpose as stated on the label only when used in accordance with label directions under normal conditions of use. This warranty is expressly in lieu of all other warranties and representations expressed, implied, or statutory, including warranties of merchantability and fitness for a particular use. Timing, rate and method of application, weather and crop conditions, and mixtures not specifically recommended on this label or an accompanying written recommendation, are beyond the control of the seller. Buyer assumes all risks of use, storage and handling of this material not in strict accordance with directions given herewith. Buyer further agrees that, in the event of damages resulting from, but not limited to, weather or soil conditions, presence of other materials, or failure to follow label directions, responsibility will be assumed by the buyer or user; and to accept a replacement of the product or a refund of the purchase price of the product, at buyer's option, as full discharge of seller's liability. No one is authorized to make any other warranty, guarantee or directions concerning this product, and no such warranties, guarantees or directions shall be valid or binding upon seller.
