DIRECTIONS FOR USE

Apply Turn at 16 – 32 oz per acre, per application. Dilute in a minimum of 10 gal of water. This product is intended as a supplement to a regular fertilization program and may not, by itself, provide all the nutrients normally required by plants. When tank mixed with other chemicals compatibility testing should be conducted prior to application.

SHAKE WELL BEFORE USE

WARNING: Harmful if swallowed. Harmful if inhaled. Avoid breathing mist. Wash hands thoroughly after handling. Collect spillage. Do not eat, drink, or smoke when using this product. IF SWALLOWED: Call a POISON CENTER or doctor if you feel unwell. Dispose of contents/container to a licensed hazardous-waste disposal contractor or collection site except for empty clean containers which can be disposed of as non-hazardous waste. Do not apply directly to or near water, storm drains, gutters, sewers, or drainage. KEEP OUT OF REACH OF CHILDREN

STORAGE: Keep container tightly sealed when not in use. Store in a cool, dry place between 34° and 100° F. Do not store in direct sunlight. Do not store diluted product.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.htm>
