

Ultra®

by  AgriGro

Product Information

Ultra® by AgriGro can be used as a seed treatment, root dip, foliar feed and also as a soil application. These various types of application enable the soil and the plant to receive direct benefits from Ultra®. Ultra® is recommended for application on the following crops: Alfalfa, almonds, avoca-dos, apples, bananas, beets, berries, broccoli, brussel sprouts, cabbage, carrots, cauli-flower, celery, citrus, clover, coffee, corn, cotton, grain sorghum, grapes, lettuce, melons, okra, peaches, pecans, peppers, potatoes, peanuts, rice, sorghum, soybeans, sugar beets, sweet corn, sugar cane, strawberries, tobacco, tomatoes, watermelons, and wheat. Ultra® can be used in all cropping systems for the above crops including greenhouse, field grown, hothouse, hydroponic, or any indoor growing facility.

Guaranteed Analysis 0-0-1

Soluble Potash (K2O).....1.00%

Derived from: Ascophyllum Nodosum Seaweed

Environmentally Safe

Ultra® is 100% environmentally safe, containing no poisons to contaminate the soil, water or air. Additionally, no harm will come to plants, animals or humans when used according to label directions.

Directions for Use

Row or Transplant Application: Apply 16-32oz. of Ultra® per acre at planting.

Broadcast or Band Soil Application: Apply 16-32oz. of Ultra® per acre prior to planting or plant emergence.

Foliar Application: Regular applications of Ultra® should be foliar applied up to the boot stage of plant growth at the rate of 16-32oz. per acre. For best results spray when the crop is in an active growing state after irrigation or natural rainfall. Spray early in the morning or late in the afternoon for best leaf absorption. (Foliar fertilization is intended as a supplement to a regular fertilization program and will not, by itself, provide all the nutrients normally required by agricultural crops.)

Ultra® can be applied through standard ground or aerial application equipment, and through standard irrigation or fertigation systems. Ultra® may be mixed with most herbicides, pesticides, fungicides and liquid fertilizers.

CAUTION!
KEEP OUT OF REACH OF CHILDREN
 Do not swallow. Store below 120 degrees F.

Mixing Instructions

1. Put 2/3 water in tank and agitate.
2. Add correct amount of Ultra®.
3. Add other chemicals or fertilizers, if any.
4. Fill tank with balance of water and agitate until mixed.

Store out of direct sunlight.

Shake well before using.

As with any Agri-Chemical, do a compatibility check to insure proper mixing.

Conditions of Sale, Limitation of Warranty & Liability.

Limitation of Liability: In no event shall seller or manufacturer be liable for special, incidental or consequential damages, or for damages in the nature of penalties. Seller or manufacturer shall not be liable to buyer, by way of indemnification to customer or buyer, if any, for any damages, sums or money, claims or demands whatsoever, resulting from or by reason of, or rising out of the misuse or the failure to follow label warnings or instructions for use of the goods sold by the seller or manufacturer to buyer. Buyer's or user's exclusive remedy and seller's or manufacturer's total liability shall be for damages not exceeding the cost of the product.

Warranty Disclaimer: Ineffectiveness or other unintended consequences may result because of such factors as presence of other materials or the manner of use or application, all of which are beyond the control of the seller or manufacturer. In no case shall seller or manufacturer be liable for consequential, special or indirect damages resulting from the use or handling of this product. All such risks shall be assumed by the buyer or its customers. Tests have not been carried out under all possible conditions and seller or manufacturer cannot and does not warrant that the products are compatible with all other chemicals. Seller or manufacturer warrants the material is adequately contained, packaged and labeled and conforms to the affirmation of fact made on the container and label. Seller or manufacturer makes no other warranties, guarantees, or representations of any kind, either expressed or implied, or by use of trade, statutory or otherwise, with-regard to the product sold, including, but not limited to merchantability, fitness for a particular purpose, use or eligibility of the product for any particular trade usage.

Agri-Gro®, Inc. and Seller offer this product, and Buyer and User accept it, subject to the foregoing conditions of sale or limitations of warranty and of liability, which may not be modified except by written agreement signed by a duly authorized representative of Agri-Gro®, Inc.
