# VERIMAX<sup>®</sup> AMS CA

## WATER CONDITIONING AGENT - DRIFT CONTROL AGENT

### PRINCIPAL FUNCTIONING AGENTS:

Ammonium sulfate, glycerol, phosphoric acid ..... 35.0%

**CONSTITUENTS INEFFECTIVE AS SPRAY ADJUVANTS** ..... 65.0%

**TOTAL:** ..... **100.0%**

All ingredients are exempt from the requirements of a tolerance as specified in 40 CFR 180.

## KEEP OUT OF REACH OF CHILDREN WARNING

### Hazard Statements

- Causes skin irritation. Causes serious eye irritation.

### Precautionary Statements

- Do not breathe mist/vapors/spray. Wash thoroughly after handling.  
Wear protective gloves/eye/face protection.

### Response

- IF IN EYES: Rinse continuously with water for several minutes.
- Remove contact lenses if present and easy to do; continue rinsing.
- Immediately call a poison center or doctor/physician if eye irritation persists.
- IF ON SKIN (or hair): Remove/take-off immediately all contaminated clothing.
- Rinse skin with water/shower.
- Wash contaminated clothing before reuse.

CA Reg. No.: 89391-50011

## First Aid

Have the product container or label with you when calling a poison control center or doctor or going for treatment.

**If Swallowed:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

**If Inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

**If in Eyes:** Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do; continue rinsing. Immediately call a poison center or doctor/physician if eye irritation persists. Call a poison control center or doctor for treatment advice.

**If On Skin or Clothing (or Hair):** Remove/take off immediately all contaminated clothing. Rinse skin with water/shower. Take off contaminated clothing and wash before reuse. Call a poison control center or doctor for treatment advice.

## Environmental Hazards

**Not for aquatic use.** Do not contaminate water sources by cleaning of equipment or disposal of wastewaters.

**VERIMAX AMS - CA IS NOT FOR AQUATIC USE**

## Product Information

**VERIMAX AMS - CA** contains water conditioning properties and a homogenized deposition agent designed to improve the precision of spray applications and reduce off-target drift. It is suitable for use on both conventional and transgenic crop varieties.

When used at labeled rates, **VERIMAX AMS - CA** will automatically optimize the angle of the spray pattern, as the spray exits the nozzle, to give maximum coverage of target surfaces while minimizing "pattern fringe" which contains the most driftable particles.

**VERIMAX AMS - CA** is intended for use as a tank-mix adjuvant where a deposition or drift control agent is required or recommended.

**VERIMAX AMS - CA** has been proven to increase glyphosate activity. This product also contains emollients which may improve absorption of herbicides into leaf surfaces.

**VERIMAX AMS - CA** also contains buffering and sequestering agents to adjust pH to a neutral range. **VERIMAX AMS - CA** may be used when the pesticide label recommends the use of a deposition aid or drift control agent. It is not intended as substitute for surfactants or crop oil concentrates.

## Directions For Use

**VERIMAX AMS - CA** is intended for use with products registered for agricultural, horticultural, turf, ornamental, industrial, and non-crop use.

**VERIMAX AMS - CA** should be added to the diluted spray solution prior to the addition of any pesticides.

## Ground and Air Rates:

**Normal Use:** 2 to 3 quarts per 100 gallons of water

**Hard Water:** 3 quarts per 100 gallons of water

**VERIMAX AMS - CA** contains the equivalent of 2 pounds ammonium sulfate/gallon.

## Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

**Storage:** Store at ambient temperature. Store in a closed container. Keep this container tightly closed. Store in original container. Do not allow water or other chemicals to be introduced into contents of container. Do not contaminate water sources with equipment washwater, spray disposal wastes or by cleaning of equipment. Do not store near feed or food products. Do not use or store near open flame.

**Disposal:** Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit [www.acrecycle.org](http://www.acrecycle.org). Decontaminated containers may also be disposed of in a sanitary landfill. Dispose of contents/container in accordance with local/national regulations.

## NOTICE OF WARRANTY:

Seller warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for purposes stated on such label only when used in accordance with the directions under normal use conditions. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of the Seller. IN NO CASE SHALL SELLER BE LIABLE FOR CONSEQUENTIAL, SPECIAL OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT. ALL SUCH RISKS SHALL BE ASSUMED BY THE BUYER. SELLER MAKES NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE.
