Mites, Beetles
Horticultural Fungus
& Garden Insects
Concentrate

Insecticide, Miticide
& Fungicide
**USDA / NOP
CERTIFIED
ORGANIC**
by Oregon Tilth
One Gallon

All-natural & Bio-degradable

Contents: Organic Surfactant 63.76%, Organic Soy Oil 19.22%, Garlic Oil 11.00%, Pure Peppermint Oil 0.80%, Pure Rosemary Oil 0.80%, Sodium Bicarbonate 2.21%, Potassium Chloride 2.21%

Active Ingredients: Diluted to eight parts water, one part product. Certified Organic Soybean Oil 3.0%, Pure Rosemary Oil .10%, Pure Peppermint Oil .10%, Pure Garlic Oil 2.75%

Inert Ingredients: Fatty acids, coco potassium salts, certified organic coconut oil, sodium bicarbonate, potassium chloride (from a mined source) and water.

For Best Results: Spray at Dusk. This lengthens drying time and treatment. Thoroughly water plants in the AM. At dusk, spray a fine mist on stems, leaves top and bottom. Please do not over spray. Please test! Dilution may be required in 90 plus degree heat to avoid leaf burn. Application during mid-day or high temperatures may cause leaf burn or leaf fall, neither of which should harm the plant. Please test seedlings first. Pest and disease will not become resistant to this product. Use every 10 days for best results.

Controls: Mealy Bugs, Horticultural Fungus, Ants, Adult Japanese Beetles, Thrips, Aphids, Spider Mites, Whiteflies, Scale, Leafhoppers, Earwigs and more. Repeat at first sign of infestation.

Use our Garlic Pharm™ between applications to repel insects.

**Use Freely Until Harvest
Patent Pending**

Your pure and natural answer to Garden Pests. Designed with your family and the environment in mind, all ingredients are pure and natural, food or pharmaceutical grade.

For Outdoor Use Only

 FOR ORGANIC PRODUCTION
