GENERAL INFORMATION

VERSA Iron Liquid is a liquid 1.8% EDDHA chelation of Iron (Fe) that is manufactured using a superior chelating process that allows the iron to be readily available to the plant in a variety of soil conditions. **VERSA Iron Liquid** is designed for use in soybeans, but can be used in other food and fiber crops that have similar nutritional requirements or display iron deficiency chlorosis (IDC).

APPLICATION RECOMMENDATIONS

VERSA Iron Liquid is intended to be used as a supplement to a standard fertility program. **VERSA Iron Liquid**, used according to the following recommendations, will improve plant health by providing efficient delivery of soluble iron (Fe) as part of a total fertility program that will decrease plant stresses and allow maximum genetic expression of crops.

In-Furrow Application:

Apply 1.33-4 quarts/acre in-furrow to alleviate and/or correct IDC.

VERSA Iron Liquid mixes readily with water but some form of agitation is recommended to allow for complete and uniform dispersion. **VERSA Iron Liquid** should be mixed with water at a minimum of 1:2 ratio (1 part **VERSA Iron Liquid** : 2 parts water). Higher water volume rates can be used to insure product dispersion.

Foliar Application:

For most effective results, apply 1.33-2.67 quarts/acre prior to IDC symptoms to prevent yield loss potential. For ground applications use a water carrier volume of 10 GPA minimum or 5 GPA for aerial applications. In severe IDC situations or in nutrient deficient crops, a second application should be made at two weeks after initial application.

FOLIAR PESTICIDE TANK MIXING INSTRUCTIONS

*Always perform compatibility or jar test with all the tank mix components, before mixing large quantities.

1. Fill tank $\frac{1}{2}$ full of water.
2. Add AMS based water conditioner adjuvants and agitate.
3. Pour in desired rate of **VERSA Iron Liquid** and agitate.
4. Add pesticides per label.
5. Finish filling tank and agitate.

Rate Comparison for VERSA Fe DF & VERSA Fe Liquid
1 Gallon of **VERSA Fe Liquid** Equivalent to 3 lb. of **VERSA Fe DF**

VERSA Fe Liquid	VERSA Fe DF
1.33 qt	1 lb
2 qt	1.5 lb
2.67 qt	2 lb
3.34 qt	2.5 lb
4 qt (1 gallon)	3 lb

NOTES

Consult all tank mix product labels prior to adding **VERSA Iron Liquid** to tank.

STORAGE & DISPOSAL

Store product in original container. Do not store near heat or open flame. Do not reuse container. Do not contaminate water, food or feed by storage or disposal. Keep packaging closed, securely fastened and upright. Product may suspend in layers if stored below 32° F.

Triple rinse (or equivalent) prior to disposal. Add rinsate to tank. Offer container for recycling or dispose of properly according to state and local authorities. If burned, stay out of smoke.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if swallowed, absorbed through skin or inhaled. Avoid contact with eyes, on skin or clothing. Avoid breathing vapors or spray mist. Remove and wash contaminated clothing before reuse. Wash thoroughly with soap and water and before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID

IF SWALLOWED: Call a doctor or poison control center immediately. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call poison control center or doctor for treatment advice.

IF ON SKIN: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing call 911 or an ambulance, then give artificial resuscitation. Call a poison control center or doctor for further treatment advice.

NOTICE – READ CAREFULLY

Condition of Sale – Rosen's, Inc. (and seller) offer(s) this product for sale subject to and buyer and all users are deemed to have accepted the following conditions of sale and warranty. **Warranty Limitation** – Rosen's, Inc. warrants that this product conforms to the chemical description on the label subject to the inherent risks referred to below. Rosen's, Inc. makes no other express warranties, which extend beyond the description on the label hereof. THERE IS NO WARRANTY OF MERCHANTABILITY and there are no warranties, which extend beyond the description on the label hereof. **Inherent Risks** – The directions for use of this product are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks associated with use. Buyer assumes all risks associated with use of this product contrary to label directions or resulting from extraordinary conditions. **Limitation of Liability** – In no case shall Rosen's, Inc. be liable for special, indirect or consequential damages resulting from the use or handling of this product and no claim of any kind shall be greater in amount than the purchase price of the product in respect of which damages may be claimed.
