VIVA: Turf and Ornamental Supplementary Letter

The currently registered VIVA label includes a section in the application table for use in ornamental crops.

VIVA is also recommended for use on turf grass with the following recommendation:

TURF

Recovery : 7-9oz\1000 square feet

Maintenance: 2-3 oz\1000square feet

Apply every 7-14 days in 2-4 gallons water per 1000 square feet to ensure delivery of Viva to the root zone
