

WHITE-WATER N.I.S. NONIONIC SURFACTANT

Principal Functioning Agents:

Alkyl phenol ethoxylate, glycerol, diethylene glycol61.25%
Constituents ineffective as spray adjuvants.38.75%
Total	100%

All ingredients are exempt from tolerance requirements under 40 CFR 180.

WA Reg. No. 46661-14003

KEEP OUT OF REACH OF CHILDREN WARNING

May be harmful if swallowed. Causes skin irritation. Causes serious eye irritation. May cause respiratory irritation. Read label before use. Keep container tightly closed. Keep only in original container. Avoid breathing dust/fume/gas/mist/vapors/spray. Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves/protective clothing/eye protection/face protection.

Personal Protective Equipment: Wear protective eyewear (goggles or face shield), chemical-resistant gloves, coveralls worn over long-sleeved shirt and long pants, and chemical-resistant footwear plus socks. When mixing and loading wear a chemical-resistant apron.

NOTE: Read and follow all label directions and cautions on all products used.

FIRST AID

Call a poison control center or doctor immediately for treatment advice. Have the product container with you when calling a poison control center or doctor, or going for treatment.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do then continue rinsing. If eye irritation persists: Get medical advice/attention.

IF ON SKIN OR CLOTHING: Take off contaminated clothing and wash it before reuse. Wash with plenty of soap and water for several minutes. If skin irritation persists: Get medical advice/attention.

IF SWALLOWED: Call a POISON CENTER or doctor/physician if you feel unwell. Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. Do not give anything by mouth to an unconscious person.

IF INHALED: If breathing is difficult, remove person to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, and then give artificial respiration, preferably mouth to mouth if possible.

WHITE-WATER N.I.S.

- ~ Is for use with agricultural and industrial herbicide products.
- ~ Is a concentrated nonionic spreader-activator.
- ~ Increases the activity and effectiveness of agricultural insecticides, fungicides, and herbicides by providing quick wetting, a more uniform distribution on the leaf surface, and by increasing the retention of the spray, by reducing surface tension of the spray droplets.

DIRECTIONS FOR USE

For use with acaricides, insecticides, fungicides, miticides: Use 1/2 pint (8 fl. oz.) to 2 pints per 100 gallons of water.

For use with herbicides, defoliants, desiccants: Use 1 to 8 pints per 100 gallons of water. In difficult wetting situations (such as hard water or mature waxy foliage) the higher rates may be required.

NOT FOR AQUATIC USE

APPLICATION RATES

APPLICATION	PER 100 GALLONS
Agriculture, Citrus, Turf	1 to 8 pints
Utility and Highway R.O.W.	1 to 8 pints
Forest Site Preparation	1 to 8 pints
Insecticides, Fungicides, Miticides	1/2 to 2 pints

NOTE: The application rates on this label are based on pesticide labels, which recommend the use of a nonionic surfactant. Rates of this product may be increased or decreased. For optimum results, follow pesticide labeling for proper recommendations.

STORAGE AND DISPOSAL

Storage: Store in a cool well-ventilated place. Keep in original container tightly closed. Do not reuse empty container. Do not store with food, feed, or other material to be used or consumed by humans or animals. Do not contaminate water supplies. For optimal storage, store between 40° and 90° F.

Disposal: Do not contaminate water, food or feed by storage or disposal. Dispose of contents in container to an approved waste disposal facility in accordance with all federal, state and local regulations. Triple rinse (or equivalent) adding rinse water to application tank. Offer container for recycling or dispose of in a sanitary landfill or by other procedures approved by local regulations. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrcycle.org. Decontaminated containers and materials must be disposed of in a manner allowed by local, state and federal laws and regulations.

Conditions of Sale and Warranty Limitation: The Directions for Use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or use of the product in a manner inconsistent with its labeling, all of which are beyond the control of West Central Distribution, LLC. or the seller. All such risks shall be assumed by the buyer. West Central Distribution, LLC. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use, subject to the inherent risks referred to above. West Central Distribution, LLC. makes no other express or implied warranty of fitness or merchantability or any other express or implied warranty. In no case shall West Central Distribution, LLC. or the seller be liable for consequential, special or indirect damages resulting from the use or handling of this product. West Central Distribution, LLC. and the seller offer this product, and the Buyer and the User accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of West Central Distribution, LLC.
