

WILLOWOOD STICKER

STICKER | SPREADER | PROTECTANT

CA Reg. No. 87290-50005

PRINCIPAL FUNCTIONING AGENTS

Alkylaryl/polyoxyethylene glycol, glycol ethers, combined fatty acids, bis (2-ethylhexyl) benzene dicarboxylate, Isopropanol	97.60%
Constituents ineffective as spray adjuvants	2.40%
Total	100.00%

(Product weight at 20° C is 7.72 lbs/gal.)

GENERAL INFORMATION

Willowood STICKER is an improved spreader-sticker-protectant for use with insecticides, fungicides, acaracides and pesticides, wettable spray powders and sun protectant sprays. It is a complex adjuvant designed to improve coverage, deposit and retention. Willowood STICKER improves the weatherability of spray deposits. It reduces losses due to light rain, dews and fog.

DIRECTIONS FOR USE

This product may be used in dilute or concentrate sprays. Add Willowood STICKER to spray tank first.

PER 100 GALS. OR LESS OF SPRAY MIX PER ACRE

Acaracides and Fungicides	1/4 to 1 pint
Insecticides	1/4 to 2 pints
Wettable Spray Powders	1/4 to 1 1/2 pints
Sun Protectants	2 pints

Lower rates should be used in high volume dilute sprays.

SHAKE WELL BEFORE USE

PRECAUTIONARY STATEMENT

CAUTION

Keep Out of Reach of Children

FLAMMABLE: Do not use, pour, spill or store near heat or open flame. Hazardous to humans and animals. Causes eye, skin, respiratory and digestive tract irritation. Inhalation or ingestion may cause weakness, fatigue, headache and vomiting. When mixing or applying agricultural sprays, always wear protective spray goggles and impervious gloves plus protective clothing as recommended on pesticide labels.

FIRST AID

If this product gets into the eyes, immediately wash the eyes with large amounts of water for at least 15 minutes. Obtain immediate medical treatment. If this product gets onto the skin, immediately wash the contaminated area. Seek medical attention if skin irritation persists. If this product has been swallowed and the person is conscious, immediately give large volumes of water. Do not induce vomiting. Seek immediate medical treatment.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Follow all governmental procedures for the disposal of pesticide spray solutions. Triple rinse container; empty rinsate into spray tank. Dispose of empty container according to approved local practices. Contact county agricultural commissioner for disposal information.

CONDITIONS OF SALE

Follow directions carefully. Timing and methods of application, weather and crop conditions, mixtures and other chemicals not specifically recommended and other influencing factors in the use of this product are beyond the control of the seller. Buyer assumes all risks of use, storage or handling of this material not in strict accordance with direction given herewith.

This product meets E.P.A. requirements under Title 40 CFR 180.1001 subparagraph C and D.
