FIRST AID

If in eyes: Hold eye open and rinse gently with water for 15-20 minutes. Remove contact lenses, if present, after 5 minutes and continue rinsing. **If on skin:** Take off contaminated clothing immediately. Rinse skin with water for 15-20 minutes. If symptoms persist, contact a poison control center or doctor for treatment advice.

CONDITIONS OF SALE/LIMITATION OF WARRANTY & LIABILITY

Manufacturer warrants that this product conforms to its chemical description and will perform as stated on the label when used according to directions and under normal conditions. Neither this warranty or any other warranty of merchantability, expressed or implied, extends to the use of this product contrary to label directions. No employee or agent of AgXplore International, LLC, the manufacturer of this product, nor the seller, is authorized to vary the Conditions of Sale and Limitation of Warranty and Liability. Buyer assumes all risk if this product is used in any manner or under any condition other than those specifically set forth on the label. To the extent permitted by law, the Buyer's or User's exclusive remedy for any injury, loss, or damage resulting from handling or use of this product shall be limited to one of the following, at the discretion of AgXplore International, LLC: Direct damages not exceeding the purchase price of the product or replacement of the product. AgXplore International, LLC and the seller of this product shall not be liable for consequential, special, or incidental damages or losses, nor damages in the nature of a penalty.

WARNING: Contains boron. Use of boron may result in crop injury.

WARNING: Contains molybdenum. Use of molybdenum may result in forage crops containing levels of molybdenum which are toxic to ruminant animals.

NOTICE TO PENNSYLVANIA USERS

1. This product may not be applied within 15 feet of water (i.e. lakes, ponds, wetlands, or flowing bodies of water), storm drains, drainage ditches, or to any impervious surface.
2. The product may not be applied if heavy rain that could reasonably cause significant runoff is expected in the next 48 hours.
3. The product may only be applied to the intended application site. Avoid overspray onto adjacent lands, roads, and other non-target areas.
