### Guaranteed Analysis:

Total Nitrogen (N) ..... 22.0%  
    11.5% Ammoniacal Nitrogen  
    10.5% Nitrate Nitrogen  
Soluble Potash (K<sub>2</sub>O) ..... 12.0%

### Derived from: Ammonium Nitrate and Potassium Chloride.

Chlorine (Cl) Maximum ..... 9.5%

Get a great start with YaraRega NK GREEN, a professional turf and landscape fertilizer that is a perfect choice for establishment or maintenance applications. YaraRega NK GREEN provides a 2:1 ratio of nitrogen (N) to potassium (K) to sustain proper growth and help mitigate stress. This product is a homogeneous formulation and allows for consistent amounts of nitrogen and potassium on each particle for preventing nutrient segregation, thus enhancing the consistency of spreading without noticeable striping and irregular growth patterns. Additionally, YaraRega NK GREEN is well suited for spoon-feeding applications by easily solubilizing the product; this is perfect for providing the right amount of nutrition at the right time.

**Recommendations for use on turf:** For best product performance, always apply using best management practices for region and turf species. Apply only when turf is actively growing and with equipment that has been properly calibrated. Apply 0.5 - 3.5 pounds of YaraRega NK Green per 1,000 square feet. Apply irrigation directly after application for best results.

**Dry applications:** 0.5 - 0.7 pounds nitrogen per 1,000 square feet.

**Spray applications:** 0.1 - 0.2 pounds nitrogen per 1,000 square feet in a minimum spray volume of 30 gallons per acre for low rate (0.1 lbs nitrogen per 1,000 ft<sup>2</sup>) and 80 gallons per acre for high rate (0.2 lbs nitrogen per 1,000 ft<sup>2</sup>).

It is important to note, that all products that are solubilized, should be screened before placing into spray tank.

Check with your local Cooperative Extension Agency to obtain specific information on local turf best management practices. Check with your county or city government to determine if there are local regulations for fertilizer use.

**For professional use only:** Do not apply near water, storm drains, or drainage ditches or to any impervious surface. Do not apply if heavy rain is expected. Only apply to the intended application site, and sweep any product that lands on the driveway, sidewalk, or street, back onto lawn/garden.

**WARNING:** Causes serious eye irritation. Wear eye protection. Wash hands thoroughly after handling. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention. Product forms slippery surface when combined with water.

### Guaranteed by:

Yara North America, Inc.,  
100 North Tampa Street, Suite 3200,  
Tampa, FL 33602, USA  
for Yara International ASA, Norway.

### Product of: Finland.

Use in accordance with recommendations of a qualified individual or institution such as, but not limited to, a certified crop advisor, agronomist, university crop extension publication, or apply according to recommendations in your approved nutrient management plan.
