

## Item #1018 Boot SUBLIMATION

All text smaller than 10pt Arial will not be legible.

We can only match PMS colors. We cannot match colors for anything but vector art.

We do not recommend light colored backgrounds for sublimation.

In order to insure IN HANDS DATE, art proofs need to be approved and returned within 24 hours.

**SUBLIMATION:** The sublimation process produces a high quality "representation", however exact PMS color matching should not be expected. Every effort will be made to "swatch" out the color within a close tonal value.
