**JESSY SCHRAM AND MARSHALL WILLIAMS STAR IN
'AMAZING WINTER ROMANCE'
A NEW, ORIGINAL MOVIE PREMIERING JANUARY 20, ON HALLMARK CHANNEL**

Part of the Network's Annual "Winterfest" Programming Event

STUDIO CITY, CA – December 16, 2019 – Jessy Schram ("Road to Christmas," "Chicago Med") and Marshall Williams ("When Hope Calls," "Glee") star in "**Amazing Winter Romance**," a new, original movie premiering **Monday, January 20 (9 p.m. ET/PT)**, on Hallmark Channel as part of the network's annual "Winterfest" programming event.

Inspirational writer Julia (Schram) has lost her mojo. Instead of writing uplifting articles about romance and conquering goals, she's penning pieces about jaded love and lost dreams. Julia's boss wants her best writer to rediscover her "seize-the-day" spirit and sends Julia back home to write about the charm of small towns. Almost instantly, being around her family and childhood friend Nate (Williams), Julia feels the warmth of her community and starts to develop the angle for her article. But it's the gigantic snow maze Nate built to attract tourists that truly inspires her. Awed by the beauty of the labyrinth of snow, but afraid to go into the maze herself because of a scary trip through a corn maze she experienced as a child, Julia writes a beautiful piece that her boss loves, and now she's wanted back in the city to write about venues there. The problem is Julia and Nate aren't just finding friendship in one another's eyes anymore, and although everyone around them sees their romantic chemistry, neither has the courage to admit it's there. But when Julia sees Nate seemingly enjoying himself on a date with a cute young woman who's new to town, she decides there's nothing keeping her from going back to the city. If only Nate would utter the one word that Julia needs to hear – *stay*.

"Amazing Winter Romance" is a Johnson Production Group film. The executive producers are Timothy O. Johnson and Joseph Wilka. The producer is Juliette Hagopian. Jason Bourque directed from a screenplay by Barbara Kymlicka.
