Part of the Network's Annual "Miracles of Christmas" Programming Event

STUDIO CITY, CA – October 2, 2020 – Janel Parrish ("Pretty Little Lies," *To All the Boys I've Loved Before*), Jeremy Jordan (*Joyful Noise*, "Smash") and Marisol Nichols ("Riverdale," "NCIS") star in "**Holly & Ivy**," a new original movie premiering **Sunday, November 1 (10 p.m. ET/PT)**, on Hallmark Movies & Mysteries as part of the network's annual "Miracles of Christmas" programming event – your home for the holiday.

When Melody's neighbor, Nina (Nichols), learns that her illness has returned, Melody (Parrish) promises to keep Nina's kids, Holly (Sadie Coleman "I Think You Should Leave with Tim Robinson") & Ivy (Piper Rubio "Coop and Cami Ask the World") together. As a former foster child, Melody takes this responsibility seriously. But unless Melody is able to create a bedroom for the girls in her newly acquired fixer-upper, the state will be forced to place the children in more "appropriate" accommodations. When her role as a volunteer librarian dissolves, Melody worries that she's not going to be able to make all the renovations in time. But luckily, it's almost Christmas and her neighbors are ready to help in the most magical ways, including charming contractor, Adam (Jordan).

"Holly & Ivy" is produced by 3482 Inc. Nancy Bennett is executive producer and David Wulf serves as producer. Erica Dunton directed from a script by Jamie Pachino.
