CHANGE YOUR FUTURE WITH CARE

Are you and your children experiencing homelessness or are housing insecure?

Do you need help finding child care or preschool that is **low or no-cost**?

Is Northern Alameda County your base?
(Oakland, Berkeley, Emeryville, Alameda, Albany)

The BANANAS CARE Program

The BANANAS CARE Program provides child care navigation and support to families who are experiencing homelessness. The Family Resource Navigators work with parents to determine child care options and eligibility and support them in the application and enrollment process to programs that fit their schedule and family need. We've experienced great success in getting families connected to child care subsidies when they work with our Family Resource Navigators.

HOW IT STARTED

The CARE Program started as a grassroots initiative of Parent Voices Oakland and is implemented by a collaborative group led by BANANAS, First 5 Alameda County, Alameda County Social Services Agency, Family Front Door, ALL IN, and Alameda County Early Care & Education Program.

“This program has helped me be able to attend my job so I can provide for my child.”

- CARE PARENT

“The CARE program helped me actively look for work and housing while my son is in child care - and his development is better because he is in a consistent, structured child care program!”
