

Cal-IPGCA

Alumni Association

Member Benefits

Cal-IPGCA Alumni Association members receive a whole host of exclusive education and networking opportunities, professional support, mentoring opportunities, and much more to help them be successful and create a culture of innovation within California state government.

Take part in a movement for change. Cal-IPGCA is the engine of innovation at the forefront in California. We're asking you to reinvest in your passion to serve and continue energizing your spirit of service and commitment to the unlimited possibilities of innovation in state government. **As a member, you get immediate access to these valuable benefits and resources.**

- We're an arena to bounce off creative innovative ideas and projects
- We're a conduit for continued leadership development, training and speaking opportunities
- We provide a safe place to innovate and incubate your good ideas
- You are part of the community of change agents bringing great results to the state of California
- We provide an environment of collaboration with fellow state change agents
- We build unique networking opportunities with fellow alumni and state leadership across departments and agencies
- You'll receive and provide value-added mentoring opportunities
- You're at the front of the line for Cal-IPGCA Change Challenge Panel and Leadership Forums
- Continued access to Cal-IPGCA education and leadership materials on KollaborNation
- Connections to membership program services and professional support
- We're a conduit to other innovation portals across State Government
