

# LEADERSHIP ENERGIZES 360!

## USC Price

Sol Price School of Public Policy

Great leaders energize!

### Coaching Schedule:

August 27-31 and Sept 24-28, 2018

\$550

- The 2nd post-series coaching schedule is designed to integrate a path for applying what was learned.

**Note:** This fee represents a significant discount for Cal-IPGCA Trainees from USC/Price's typical coaching fee structure.

The **Leadership Energizes 360**-degree assessment is designed for current and emerging leaders to aid in professional development. This web-based assessment measures leadership impacts as a snapshot in time across three broad areas: Individual Behavior and Characteristics, Group and Team Processes, and Organizational Context. The online tool begins with a self-assessment and collects observations from peers, supervisors, and subordinates. Results are reported across the three broad areas and broken down by observer type, allowing participants to analyze and reflect based upon their strengths and opportunities for improvement as perceived by themselves and others. ### ▶ EXECUTIVE COACHING: What is coaching?

**Paul Danczyk**

Director of Executive Education,  
USC Sol Price School of Public Policy

Executive coaching facilitates applied professional growth and is included in this year's Cal-IPGCA. Over the course of two, 45-minute spot coaching sessions, participants will work with a certified coach, using the **LeadershipEnergizes360!** results as a starting point. Executive coaching focuses on the present and future self. While some background is necessary, executive coaches will not analyze or try to diagnose psychological behaviors—this would be counseling. Instead, the conversation evolves to help you better understand yourself, internal and external obstacles, strengths, and professional goals. The coaches will challenge the discussion through active listening, and the conversation only goes where the participant chooses to take it. The two sessions are one-on-one and confidential.
