What He's begun

Vs 2) 4/4

For even if we fail, and sin with great regret

God's purpose can't be thwarted, no matter what the threat

The devil cannot touch us, for we hide in Christ the Son

Our victory is certain, Christ completes what He's begun

Vs 3) 4/4

Even if our sorrow does drown the light of day

And even if my faithless heart, still drifts along the way

The Shepherd leaves the number, to go and find the one

To bring back what was missing, Christ completes what He's begun

Chorus 3/4:

F Am G F Am G

Christ completes what He's begun, Christ completes what He's begun

F G Am G/B C G

Oh the love, that took the nails, that bore the cross, and still prevails

F G C

He will finish what he's begun

Vs 4) 4/4

Our future is forever, our eternity revealed

For with His promised Spirit, His possession He has sealed

If it were up to me now, to finish well this run

I surely would be shaken, but Christ completes what He's begun
